NATURE'S WARNING

Cottage Grove People Must Recognize and Heed It.

Kidney ills come mysteriously. But nature generally warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time to fear serious kidney trouble.

It's time to use Doan's Kidney Pills. Doan's have done great work in Cottage Grove.

A. Rogers, retired farmer, 407 North G street, Cottage Grove, says: "I have taken Doan's Kidney Pills off and on for several years and they have always done me good. I am subject to kidney trouble and at times have difficulty in controlling the passages of the kidney secretions. I find that after I have taken a box of Doan's Kidney Pills my kidneys become normal."

Price 50¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rogers had. Foster-Milburn Co., props., Buffalo, N. Y. may24-31

In such cases take a treatment of Dr. King's New Discovery, a pleasant laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It's already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.

EVEN IF YOU DO NOT READ ADVERTISEMENTS

—and sometimes you do or you would not be reading this one—you probably know who puts up 57 varieties of pickles, you can tell what soap it is that floats, whose watch it is that is guaranteed to keep good time and yet sells for only one dollar. The chances are that you have read one of the ads telling about it somewhere. If not, you heard of the ad somewhere, and when someone tries to sell you some of these pickles, the soap or the watch, you will feel sure they are good.

Persistent, judicious advertising on your part in The Sentinel will make your goods just as well known, and if you always "deliver the goods" you will develop the same confidence in them on the part of the purchasers.
