NATURE'S WARNING

Cottage Grove People Must Recognize and Heed It.

Kidney ills come mysteriously. But nature generally warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time to fear serious kidney trouble.

It's time to use Doan's Kidney Pills. Doan's have done great work in Cottage Grove.

A. Rogers, retired farmer, 407 North G street, Cottage Grove, says: "I have taken Doan's Kidney Pills off and on for several years and they have always done me good. I am subject to kidney trouble and at times have difficulty in controlling the passages of the kidney secretions. I find that after I have taken a box of Doan's Kidney Pills my kidneys become normal."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rogers had. Foster-Milburn Co., props., Buffalo, N. Y. may24-31

AVOID SPRING COLDS.

Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It's already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.
