Their deep curve leaves plenty of room, and allows the edges of the lenses to fit close to your eyes. You can forget this annoyance if you wear Toric Lenses. We shall be glad to tell you more about them.

### Alumni Banquet.

The annual alumni banquet was held at the high school Saturday night. The following program was rendered in the assembly room:

Welcome address—H. J. Shinn.  
Vocal solo—Miss Ethel Bartels.  
Instrumental solo—Miss Mae Armstrong.  
Reading—Miss Eunice VanDenburg.  
Vocal solo—Mrs. Roy Short.  
Remarks—Dan Woods, president senior class.  
Remarks—Superintendent Dunton.  
After the remarks the banquet was served by Mrs. J. S. Benson and girls of her class in the domestic science department.

Mrs. Leon DesLarzes entertained her vocal class upon the evening of May 29. Games and music were the diversions of the evening and refreshments were served.

A well attended private dance was given in Moose hall Wednesday evening by a leap year committee. This was the last dance by this committee for the season.

The Constellation club won the \$5.00 prize offered by C. A. Bartell to the club making the largest sales of chautauqua tickets.

The item last week to the effect that the M. P. G. club would meet yesterday with Mrs. S. R. Smith was an error. On account of the rose carnival and chautauqua, there will be no meeting until June 29, when it will be held with Mrs. S. R. Smith.

A. Lester Barnhart and Miss Laura A. Smith, both re-elected as teachers in the schools, sprang a surprise on their friends by being quietly married at Springfield Monday, Rev. Moore officiating.

All social events have been postponed until after chautauqua.

The meeting of the Emanon club, which was to have been held this afternoon, has been postponed until after chautauqua.

Notice of the marriage of "Dutch" Johnson, well known here and in the Bohemia district, to a woman from the east, appeared in the Vancouver papers last week.

Invitations have been issued by Mr. and Mrs. C. A. Rasch for the marriage of their daughter Ethel to Mr. Truman E. Strong. The wedding will take

place June 14 at the home of the bride's parents. Mr. Strong is from eastern Oregon.

A marriage license was issued Monday to Auburn Wheatley of Disston and Ethel Southward of this city.

The Constellation club was entertained Thursday afternoon by Mrs. C. E. Frost, Mrs. Clara Burkholder and Mrs. Elbert Bede. The afternoon was spent in social chat and in the writing of chautauqua letters. A two course luncheon of creamed clams and strawberry shortcake and coffee was served. Mrs. C. C. Westenhaver, Mrs. Ida Veatch, Mrs. Horace Cochran and Mrs. Ralph Dean were guests of the club.

Miss Grace Jones entertained a dozen of her girl friends Monday in honor of her thirteenth birthday anniversary. She was assisted by Miss Genevieve Johnson and Miss Inez Jones. Games were played and refreshments served.

Superintendent and Mrs. Dunton entertained the graduating class at breakfast commencement day.

Miss Esther Sills and Miss Olive Carrin entertained the Monday Night club Monday evening at the Sills home. There was a good attendance and the evening was spent with progressive games, after which refreshments were served.

### FADS AND FANCIES

Linon is a fabric which can be easily dyed at home.

Try thickening the custard for lemon pies with grated potato instead of cornstarch.

Fasten a rubber tube a yard long to your bath room faucet if you would have a noiseless bath.

Corks may be made air-tight and water-tight by keeping them immersed in oil for five minutes.

To clean brass flower pots or trays, rub them with a piece of lemon; then pour boiling water over them, and finally polish with a soft dry cloth.

If a room is filled with smoke, open the windows and wave a towel wet in vinegar and hot water around in it.

Potatoes, other vegetables and pork chops are among the edibles that may be cooked in the casserole to advantage.

Use ammonia water always instead of soap if you are cleaning white paint. It has the advantage of not dulling the surface.

Very often ink gets stringy or oily. This is caused by the action of the air. A few drops of vinegar put into the ink will make it usable again, but the better plan is to keep the ink bottle covered.

In pressing silk spread a sheet of tissue paper, thin enough to see through, over the silk. The paper protects the silk from the iron and prevents the shiny appearance made by the iron coming in direct contact with the silk.

When boiled potatoes cannot be served immediately after they are done, drain off the water, leave the potatoes in the kettle, set in a warm place and lay over them a clean folded dish towel or piece of old table linen. Over this place a tin cover or a plate. They can stand as long as 20 minutes in this way and still be hot and dry when wanted.

If one has trouble keeping the kitchen range bright, the expedient adopted by one housewife might prove helpful, says the Louisville Herald. After cleaning the stove well she gave the entire front of it a coating of aluminum paint. This lasted for several months. This is an especially wise plan to adopt in a cottage which is used but part of the year. The stove covered with this paint will not rust.

### NO RUSH IN BUSINESS SAY STATE LUMBERMEN

Greatest Danger Now Is Overproduction Causing Depression.

Sawmill men all over the northwest in attendance at the monthly meeting of the West Coast Lumber association in Portland last week agreed that the lumber business is not rushing and that there is at present more lumber being cut by the large mills on the coast than is being sold. A. C. Dixon, manager of the Booth-Kelly Lumber company, said that mills all over the northwest have been brought into activity during the past few months and as a result there is already an over-production of lumber. Other mills have started running night and day, but the big mill owners in attendance at the meeting in Portland advised against running at night, as the market at the present time does not warrant it.

The production of lumber which a few months ago was considerably below the demand, has now caught up with the demand. Some mills are accumulating a slight surplus as a result of the increased aggregate production in the northwest.

Reports from mill men representing every active lumber district in Oregon, Washington and British Columbia, show that the volume of orders is just as great now as it was a month ago, but there are more mills among which to distribute the business and some manufacturers, consequently, were fearful of a depression in the market. However, there is no tendency to reduce prices.

### Fire Blight Decreasing.

C. E. Stewart, county fruit inspector, who has returned from a trip into the Long Tom and Bear Creek territory, reports that he found only two cases of fire blight, where last year there were thousands. These two cases were on wild crab apple trees. Mr. Stewart regards this favorable condition as proof of the wisdom of the policy of cutting down all trees last year that were found to be affected with fire blight. He thinks he will be able to handle the entire blight situation alone this year, while last year he had to have several assistants.

### Flag Day Proclaimed.

In a proclamation issued Saturday Governor Withycombe designated Wednesday, June 14, as Flag day in Oregon and called upon the residents of the state to observe the day by appropriate exercises of a patriotic nature.

## Witepskie's Royal Hungarian Orchestra To Appear on Pacific Coast Chautauquas

Witepskie Is Bringing His Popular Hungarian Orchestra For Tour of the Pacific Coast—Litinsky, the Violinist, Engaged to Appear With Him

WITEPSKIE ROYAL HUNGARIAN ORCHESTRA will make its second Pacific coast and western tour this summer and will appear on over one hundred chautauqua programs. The Orchestra is strengthened over last year, and several of the soloists who endeared themselves to Chautauqua patrons will again play with Witepskie.  
Litinsky, the violinist who created such a furor last summer when he played before the Chautauquas, will return with Witepskie, as will Ivan Witepskie, son of the leader, who charmed all with his wonderful piano solos and pianologues.  
The return of Witepskie to the Pacific coast is a signal for the assembling of the greatest Chautauqua audiences that have ever appeared on the Pacific coast to pay homage to any attraction.

### KITCHENER LOSES LIFE AT SEA

British Minister of War and Staff Air Vice-marshal of Torpedo or Mine.

London, June 6.—Admiral Jellicoe, commander of the British grand fleet, has reported to the admiralty that the British cruiser, Hampshire, with Earl Kitchener, British minister of war, and his staff aboard, has been lost off the West Orkneys. The Hampshire was sunk by either a mine or a torpedo. Admiral Jellicoe reports there is little hope that there were any survivors.

### Sutcliffe Recital.

The piano pupils of Mrs. Robert Sutcliffe gave a recital Monday evening at the home of Mr. and Mrs. J. A. Wright, being assisted by Mrs. Sutcliffe's daughter Armored as vocal soloist. While the entire program was highly entertaining the unusual proficiency of the younger pupils was probably the most remarkable feature. Miss Armored Sutcliffe's vocal solos were pleasing. The complete program was as follows:  
Solo, "Convent Bells".....Ludovic Marie Jones  
Solo, (a) "A Song of Joy".....Kohler  
Solo, (b) "German Song".....Kohler  
Solo, "Twilight Shadows" Vandershoot  
Vocal Solo, "Aushla I'm Calling Thee".....Hansen  
Armored Sutcliffe  
Solo, "Up With the Larks".....Spencer

### Supervisor O'Reilly May Leave.

A. I. O'Reilly, county school supervisor for this district, has been offered the position of principal of the public schools at Marcola at a salary of \$1300 a year and he is now considering the offer.  
Mr. O'Reilly is now being paid \$110 a month and expenses for his work as supervisor. The county board of education has cut the salary to \$100 a month, but raised the limit of expenses. He has been offered the position at Marcola for a term of years and the offer is quite attractive to him, but he has not yet decided to accept it.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.  
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
