

The Perfect Corn Flakes

NEW POST TOASTIES are not only inexpensive but they bear a new deliciousness, produced by a new process of cookery—the first to produce corn flakes with the self-developed true corn flavor.

So fine is this flavor that NEW POST TOASTIES are wondrous good eaten dry. Unlike common corn flakes, they do not require cream and sugar to make them palatable. Try some that way—you'll appreciate the point, though they're even better when served with cream or good milk.

These NEW POST TOASTIES don't mush down in cream, and they are not "chaffy" in the package, like common flakes. They're new in form, new in flavor, and new in appearance. Note the tiny bubbles on each flake—an identifying feature.

Put up in wax-sealed packages, NEW POST TOASTIES retain their oven-crispness and flavor until served at your table.

Have your grocer deliver a package for tomorrow's breakfast.

CONGRESS EXPECTS TO ADJOURN AUG. 20

Waterpower, Suffrage and Dry Bills Likely to be Shelved.

Washington.—Adjournment of congress by August 20 was decided upon by the democratic caucus.

The steering committee was instructed to bring measures before the senate in this order:

Appropriations, ship purchases, revenue, workmen's compensation, corrupt practice, Philippines self-government, Spanish and Civil war questions and re-organization of the interstate commerce commission bills.

Child labor and immigration restrictions are to be voted upon next December if the steering committee finds they cannot be completed before August 20.

Conspicuous among the bills shelved by this agreement are the conservation, Shields waterpower, prohibition and suffrage amendments.

House Ends Work; Ready to Adjourn.

The house arranged to adjourn three days at a time after Monday until such time as the senate is ready for final adjournment of this session of congress, taking up only conference reports and affairs which can be passed by unanimous consent and without contest.

The Rucker so-called corrupt practices bill amending the political campaign publicity law and extending it to candidates for president and vice president was passed by the house. It now goes to the senate where a similar bill by Senator Owen is pending.

This marks the closing of the administration legislative program so far as the house is concerned.

The bill fixes the amount which may be spent for campaign expenses of a presidential candidate at \$50,000 and vice presidential at \$25,000. All candidates for president and vice president would be required to make reports to the clerk of the house the same as candidates for other offices. It would penalize violations of the law with a maximum fine of \$10,000.

Probe of Railway Problems Favored.

The Newlands joint resolution passed by the senate last February creating a joint subcommittee from the membership of the senate and house commerce committees to investigate various railroad problems, including government ownership and regulation and necessity of further legislation, was adopted by the house without record vote. The study of the situation was one of the things recommended by President Wilson in his message to the opening of congress.

Mexico's Proposal May Be Accepted.

Solution of difficulties between the United States and Mexico appeared to trend more and more toward settlement through an international joint commission. Informal conferences between Acting Secretary of State Polk and Eliseo Arredondo, Mexican ambassador-designate, it was indicated, were developing questions for probable submission to such a body.

General Carranza is said to approve the commission plan of settling differences as provided in the treaty of 1848 and state department officials are believed to be willing to let negotiations take their course, though preferring that the adjustment be made through the present conference. President Wilson, it is understood, is not dissatisfied with the direction negotiations are taking.

Rivers and Harbors Bill Wins.

Republican senators who fought the rivers and harbors bill refrained from obstructing ratification of the conference report of the measure and it was passed as approved by the house, carrying \$42,886,088.

It is the first general river and harbor bill in four years.

Villistas Trying to Win Juarez Men.

El Paso, Texas.—The military authorities here have learned of negotiations carried on by Villa and other Mexican political elements for the turning over of the Carranza garrison in Juarez to Villa.

Pacific Coast Baptist Officers Chosen.

Spokane.—With the exception of treasurer, all officers of the Pacific Coast Baptist Young People's Union convention were re-elected. John M. Glenn, of Spokane, was elected treasurer and San Jose, Cal., was chosen as the place for the 1917 convention.

Orpet Acquitted of Murder Charge.

Waukegan, Ill.—William Orpet, the university student charged with murdering Marion Lambert, a high school girl and his former sweetheart, was found not guilty by a jury after five hours' deliberation.

One Man Killed in Liquor Raid.

Seattle, Wash.—In a revolver fight during a raid by plainclothesmen on the old Ferguson bar here, former City Controller William Bothwell was killed and W. W. Morris and C. V. Harvey, members of the prohibition enforcement squad, were seriously wounded.
