Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

Adds to the Joy of Living—

It isn't alone the deliciously sweet nut-like taste of GRAPE-NUTS that has made the food famous, though taste makes first appeal, and goes a long way.

But with the zestful flavor there is in GRAPE-NUTS the entire nutriment of finest wheat and barley. And this includes the rich mineral elements of the grain, necessary for vigorous health—the greatest joy of life.

Savages and Place Names.

It is very rare that savages give names to extensive lands as a whole, and at first sight this seems surprising. Yet when we reflect that the average savage rarely travels more than 100 miles from his birthplace it is quite natural he should know nothing beyond his personal knowledge.

If savages live on a very large island they are acquainted with only a small part of it and give names only to those portions with which they are familiar.

The largest islands of the Pacific have no native names. No name for the continent of Africa is known among its savage tribes. When told that they live in Africa a common response is that they never heard of such a country.

As a rule, Pacific explorers were careful to retain native names if they could ascertain them. Cook was particularly desirous to retain native names for all his greater discoveries because he could find no other appellations.—Exchange.

Danced In Court.

An unusual scene was once witnessed in a French law court, the civil tribunal at Nantes. The proprietor of a local theater had engaged a young lady dancer, whose performances at rehearsals did not come up to his expectations. He therefore would not let her appear, and the fair dancer took action against him for breach of contract. The defendant alleged that she had not even learned the first steps of her art, and, here being a plain issue, the judge determined to decide for himself. A space was accordingly forthwith cleared on the floor of the court, and in these unusual surroundings the young lady duly went through her steps and pirouettings. In the result the judge felt justified in certifying that she was quite an expert dancer and decided the case in her favor. Henceforth she advertised herself as the only dancer in the country with a legal certificate of proficiency.

His Finish.

"Did you ever complete your education?"

"No; my wife did."—Houston Post.

On Firing Line.

"Have you ever been on the firing line?"

"Sure! Only last week my boss stood us all in line, and I was the first one he fired."

"And were you ever rewarded for bravery?"

"Oh, ya-as."

"Did you get the iron cross?"

"Nope."

"The Victoria cross?"

"Naw. I got the maltese cross."

"How could you get the maltese cross?"

"I stepped on her tail."—Exchange.

A Bit of Advice

First—Don't Delay. Second—Don't Experiment.

If you suffer from backache; headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Cottage Grove residents desire more convincing proof of their effectiveness than the statement of a Cottage Grove citizen who has used them and willingly testifies to their worth?

Mrs. J. J. Moore, Sixth St., Cottage Grove, says: I am more or less subject to kidney trouble. My back gets very sore and lame at times and during this misery, my kidneys are irregular in action and I feel tired-out and depressed generally. After I have taken Doan's Kidney Pills a few days, my back feels as strong as ever and the action of my kidneys becomes regular."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moore had. Foster-Milburn Co., Props., Buffalo, N. Y. sep28-oct5
