(Copied from Portland Oregonian.)

Read what those you have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

By James Withycombe, Governor of Oregon:

"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:

"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:

"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:

"Since the people of Pendleton are initiating a measure for the establishment of a Normal School in Eastern Oregon and Pendleton fills all the government requirements, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Monmouth:

"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:

"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:

"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:

"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:

"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and says Pendleton most logical location for Normal school in Eastern Oregon.

Marion Veatch
Candidate
For County Coroner

I want to thank the voters of all political affiliations who aided in my election to the office of County Coroner two years ago and will appreciate your support on November 7.

I believe in caring for all cases without calling a physician or putting the county to the expense of holding an inquest unless absolutely necessary.

We have good and convenient equipment for handling the work and if elected will render the same fair and economical service to the county and everyone concerned.

(Paid Adv.) o26-nov26

James Calvert
of Junction City

Democratic Candidate for Representative

I favor the reduction of taxation and the abolishment of all useless commissions.

I oppose bond issues to please paving companies.

I am unalterably opposed to the transfer of the school district unit to the county unit.

I favor the state printing its own school books and selling the same to students and patrons at cost, the same as other states are doing.

JAMES CALVERT.
(Paid Adv.) o26-nov26

R. Y. PORTER
Candidate for County Commissioner on the Democratic Ticket

I stand for a common-sense administration of county business, want a dollar's value for every dollar spent and if elected will see to it that the taxpayers receive this. I want an economical administration of county affairs and if elected will do my utmost to see that this condition prevails, regardless of politics.

I reside near Walker, Ore., and have for 38 years. I am a farmer and have made a study of the road question. I favor each district having its allotted amount of road money. If elected will exert my best efforts to see that all parts of the county receive fair treatment at the hands of the county court.
