AGREEMENT WITH MEXICO IS SIGNED

Protocol Provides For Withdrawal of Troops Within Forty Days.

Atlantic City, N. J.—The joint commission of the United States and Mexican governments adjourned for two weeks, in accordance with the request of the Mexican commissioners to have a conference with Carranza before committing themselves.

The joint commission signed a protocol providing for the withdrawal of the American troops within 40 days of final approval of the commission's deliberations, provided conditions on the border will permit.

Subject to approval by the two governments, the Mexican-American commissioners agree:

First—American troops in Mexico shall withdraw within 40 days of approval, if conditions do not at that time menace American border.

Second—Each nation shall patrol its own side of border; co-operation not precluded.

Third—Arrangements for co-operation against bandits left to commanding generals on each side.

Fourth—American government reserves right to pursue "hot trail."

CHIHUAHUA TAKEN BY VILLA IS REPORT

El Paso, Tex.—Francisco Villa's bandit army, after its reported capture of Chihuahua City, was proceeding northward, according to meager information obtainable here. Carranza military officers at Juarez would not confirm the report that Villa had taken the city, but said they were advised Villa's forces were moving toward the border and steps were being taken to defend Juarez against a possible bandit attack. This action was in accordance with orders said to have been received from General Jacinto Trevino, Carranza military commander at Chihuahua.

General Trevino, one report states, was moving southward with his forces to join the reinforcements under General Murgula, reported marching toward the state capital.

MRS. BOISSEVAIN IS DEAD

Famous Suffragist Collapsed During Speech in Suffrage Campaign.

Los Angeles.—Surrounded by the grief stricken members of her family, Mrs. Inez Milholland Boissevain, the famous New York suffragist and social worker, died at the Good Samaritan hospital of secondary anemia, caused by loss of vitality and strength through her campaigns in the interests of woman suffrage.

Mrs. Boissevain was 30 years of age and a native of New York. She had been confined at the hospital since October 23, after having collapsed while making a speech.

Safe Conduct For Austrian Refused.

Washington.—Another controversy between the American government and the entente allies is in prospect as a result of the refusal of the British government to grant safe conduct to Count Tarnowski, the newly appointed Austro-Hungarian Ambassador to the United States.

Jack London's Body Cremated.

Oakland, Cal.—The body of Jack London, the California writer, whose sudden death last week shocked the literary world, was cremated here, and the ashes, in accordance with his wish, will be scattered over his Glen Ellen ranch, which he made known to the world as "The Valley of the Moon."

Chicago Wheat Prices Come Down.

Chicago.—Wheat prices came down Monday with a crash, breaking in some cases as much as 9⅜ cents a bushel. Big sales by one of the leading houses started a general movement to unload holdings and gave an opening for aggressive selling by bears.

Housewives Fight Food Speculators.

New York.—Co-operative action by American housewives to combat food speculators was indicated in a household embargo on eggs inaugurated here. The movement has the indorsement of the National Housewives' league.

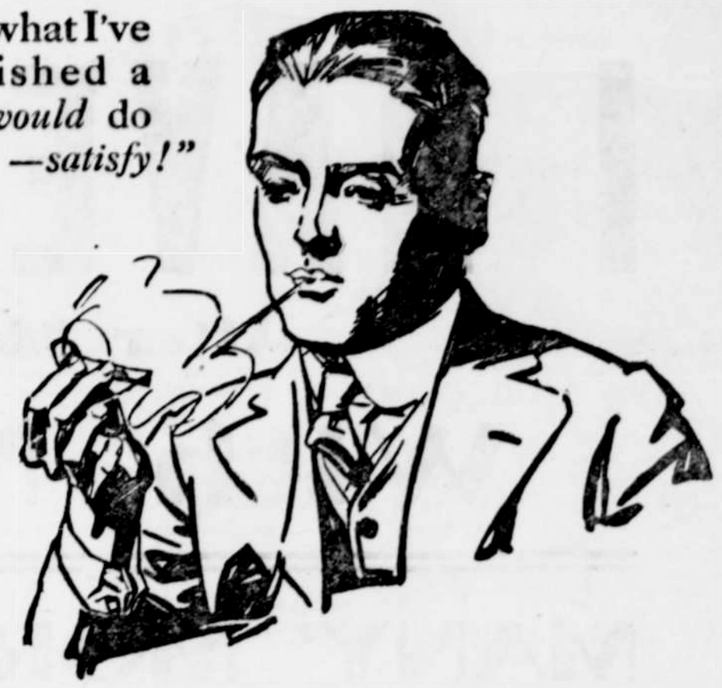
Greek Rebels Against Germany

Saloniki, via London.—The Greek provisional government, composed of followers of ex-Premier Venizelos, has formally declared war on Germany and Bulgaria, says an Athens dispatch.

Chinese Senate Approves Loan.

Pekin.—The senate has approved the $5,000,000 loan arranged with Chicago bankers. The lower house already had approved it.

"That's just what I've always wished a cigarette *would* do —*satisfy!*"



The feature of Chesterfields is that they *begin* where other cigarettes *leave off.*

In other words, besides pleasing the taste, Chesterfields go further—they *satisfy!* Just like a long drink of cold water satisfies when you're thirsty.

And yet, Chesterfields are *MILD!*

It's Chesterfields or nothing if you want this new cigarette delight, because no cigarette maker can copy the *Chesterfield blend*—an entirely *new* combination of tobaccos and the biggest discovery in cigarette blending in 20 years.
