Underwear

Rather than carry over several broken lines in wool and heavy cotton underwear we are offering the entire stock at wholesale.
Due to the heavy advance in the cost of raw materials and in manufacturing costs it would be impossible to duplicate these garments at anything near the present price. Therefore, the saving is large if taken this week.

Blankets

We offer this week an especially attractive line of wool blankets at absolutely wholesale cost.
They are shown in a variety of colors, white, light and dark gray, etc. Where one figures the rapid raise in the prices of wool it will readily be seen that great money savings can be made at these prices.

If you want the best pipe tobacco on earth, just travel around lookin' for it, then—drop into the shop on the next corner an' ask for some VELVET.

Velvet Joe

THERE IS NO BETTER PIPE TOBACCO—than Velvet. We honestly believe that. Smoker after smoker has told us so. Before you agree or disagree, we ask you to put Velvet to any test that will convince you personally.

Velvet is the best Kentucky Burley tobacco—the variety American pipe smokers have agreed to be the world's finest pipe tobacco and the natural qualities of this tobacco have been brought to perfect maturity by two years of ageing in wooden hogsheads.

We challenge you to compare Velvet to-day with any pipe tobacco at any price?
