Just a Tilt of the Pail
Women don't mind filling the knee-high supply can of the new Suction-feed. Only a few inches to lift. No straining of back or arms.
THE NEW SHARPLES SUCTION-FEED
Separator gets all the cream all the time. Any other separator will lose cream when the speed slackens. You can't always return at exactly the right speed. No one can. It's impossible, speed indicator or no speed indicator. The Suction-feed skims clean, fast or slow, and delivers even cream. Capacity increases with the speed. Come in and let us show you how it works.

Blossom Time in the Golden State

A friend just back from Southern California says: "The weather was fine, in fact too warm for heavy clothes. Many were bathing at the beaches. Oranges were ripe in the valleys, while the mountains nearby were covered with snow."
With warm sunny weather it will not be long before the blossoms on the trees will be everywhere announcing that spring time is here.

Take a vacation trip now where life is different; where climate surroundings and amusements are out of the ordinary. Spend a **different February.**
