Society

If you know of a society item and do not inform the newspaper, it is your own fault if it is not printed.

A very pretty home wedding was solemnized by Rev. Jos. Knotts at the home of Mr. and Mrs. P. H. Magee, of The Cedars, yesterday at noon when their daughter Florence was married to Dr. Leroy Thomson, of Portland. Those present were Mr. and Mrs. P. H. Magee, Mr. and Mrs. G. O. McGilvray, of Canyonville; Mr. and Mrs. Henry Yeomans, of Creswell; Mr. and Mrs. J. J. Dillon and daughter Margaret, of Portland; Mrs. R. M. Gleason, of Chehalis, Wash.; Mr. and Mrs. P. W. Hubbard and daughter Gwendolyn, of Cottage Grove; Miss Susie Camp, Miss Edith Magee, and Hassel Magee. Mr. and Mrs. Thomson left on the afternoon train for their home in Portland. Dr. Thomson is a rising young dentist and the bride is a very accomplished young woman.

Miss Eunice VanDenburg entertained a few intimate friends informally at her home Thursday evening. Cards were the diversion of the evening. Refreshments were served.

The Joker club met at the home of Miss Curran Monday evening with Miss Curran and Miss Kinsey as hostesses. A pleasant evening was spent, a business session was held and refreshments were served.

The Social Twelve club met last Thursday with Mrs. Clara Burkholder. The social session was cut short on account of a business session and the annual election of officers. Mrs. George Kerr was elected president, Mrs. L. S. Hill vice-president and Mrs. Clara Burkholder secretary-treasurer. Refreshments were served.

The M. P. G. club was most pleasantly entertained Tuesday afternoon by Mrs. H. A. Miller. During the social session each guest was presented with a pretty guest book, and a sumptuous three-

course dinner was served. Mrs. Harry Short, of Withrow, Wash., was a guest of the club.

Mrs. George Atkinson and Mrs. Harry Wynne will be hostesses at a meeting of the Constellation club this afternoon.

The Emanon club met with Mrs. Ida Vesteh last Thursday. Mrs. Phillips and Mrs. Buckley were guests. Delicious refreshments of chicken tamales, wafers, pickles, pumpkin pie with whipped cream and cocoa were served. The next meeting will be held with Mrs. Van Allison on Wednesday.

FADS AND FANCIES

All traces of the damage done by too hot an iron may be quickly removed by dampening with peroxide of hydrogen, then pressing and putting in the sun to dry.

White lead is one of the few cements that resists both heat and water. Apply thinly to the edges of the broken pieces, press them tight together and set aside to dry.

Immerse stained articles immediately in a gallon of water to which has been added about two teaspoonfuls of plain household ammonia.

When cream is too thin to whip, add the unbeaten white of an egg.

So many people are in the habit of regarding the kitchen as a necessary evil that the idea of applying any decorative treatment to it and making it a really attractive place never seems to occur to them. The cook, whether she be the housewife or a domestic, has to spend most of her time there, and if for no other purpose than to make her comfortable and happy—incidentally thereby a better servant—the place should be made as agreeable to the eye as possible.

ble. The designers of really well planned houses now take account of this consideration and adopt simple but well recognized decorative schemes. We have something yet to learn in this respect from old Dutch and German kitchens and also from the kitchens of old New England farm houses.

Do housewives in general know how useful an article a rubber bathing cap is? For dusting, a rubber cap is superior to one of cloth. It does not allow any dust to seep through, never needs to be washed or ironed, and is fully as attractive as a cloth dusting cap. Then, too, if one wears a rubber cap when using kerosene or benzine, the cap will prevent the odor from getting into the hair. A bathing cap can also be used to keep the hair dry when the children are being bathed and they are splashing the water in every direction, and it will serve a like purpose when the mother herself is taking a shower.

TESTED RECIPES

Apples baked in jelly—Cover six peeled and cored apples with one cup sugar and grated peel off one lemon, and bake until tender, turn into a glass dish on round slices of sponge cake or toasted bread, add lemon juice and a little currant jelly to syrup in a pan, and cook until it jellies. Pour over the apples and when very cold serve with boiled custard or whipped cream.

Baked apples with nuts—Peel the apples and core well, then place in deep pan, allowing a heaping teaspoonful of sugar and half a cup of water to each apple. In the center of each apple place a teaspoonful of chopped nuts and strip of lemon or orange peel and over the whole sprinkle cinnamon and nutmeg. Bake very slowly and juice will become jelly-like.

Wash and core tart apples, then fill with equal parts of crumbs and mushrooms. Season with catsup or herbs as preferred. Put a bit of butter on top of each apple. Add a little water to the baking pan and bake until tender.

Wipe and core medium sized selected apples, then make two circular cuts through skin at equal distance from stem and blossom ends. Wipe, pare, core and cut apples in baking dish and fill cavities with prepared small pieces of apple, allowing one teaspoonful of fine chopped pork fat to each filling. Bake in a hot oven until soft, having enough hot water in pan to prevent apples from burning.

Seven important measures, in addition to the \$6,000,000 road bond proposal, will be on the ballot for consideration of the voters at the special election on June 4.

The propositions to be voted upon are as follows:

State issue of \$6,000,000 in bonds to begin construction of comprehensive system of roads and highways embracing entire state.

Direct expenditure of \$100,000 a year for four years to build a new penitentiary at Salem.

To authorize assessors of western Oregon counties to restore Oregon and California grant lands to tax rolls.

To prevent repeal of any parts of state constitution by implication.

All acts of the legislature against which the referendum is invoked also will be on the ballot.

Death of Ralph D. Whipple.

Press, Tracy, Calif.: The news Sunday of the sudden death from heart failure of R. D. Whipple, manager for the Tracy Lumber company, came as a stunning blow to the community.

Mr. Whipple had been complaining some for a couple of days, but no one was aware that his condition was so serious. Sunday morning he came down town after his mail and returned to his home about 11:30. He complained then to his wife about having a pain in his chest, but little notice was taken of it. He put in a call for Stockton over the telephone, and while waiting for an answer went out to the woodshed for some wood. When the telephone bell rang his wife called to him but received no answer. She went to the kitchen door to call him again. She saw her husband lying near the woodshed door, and running to his side, she found him dead.

The funeral services were held from the Masonic hall under the auspices of Mt. Osio lodge.

The remains were shipped to Albany, Oregon, the former home of Mr. Whipple.

Mr. Whipple was a native of Oregon, aged 38 years at the time of his death. Some six years ago he came to Tracy with his wife and took charge of the Tracy Lumber company's yard here.

Mr. Whipple formerly lived here and was a son of Mrs. George Wall.

School Fair Is Postponed.

On account of conflicting dates the school fair, which has been an annual event in Lane county for a number of years, will be postponed until next year. It was found that the Eugene armory could not be secured for any Saturday in May except May 19, and this date follows so closely upon the eighth grade examinations that schools would not have suitable opportunity to prepare for the fair.
