A BIT OF ADVICE!

First—Don't Delay. Second—Don't Experiment.

If you suffer from backache; head-aches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Cottage Grove residents desire more convincing proof of their effectiveness than the statement of a Cottage Grove citizen who has used them and willingly testifies to their worth?

Mrs. J. J. Moore, Sixth St., Cottage Grove, says: "I am more or less subject to kidney trouble. My back gets very sore and lame at times and during this misery, my kidneys are irregular in action and I feel tired-out and depressed generally. After I have taken Doan's Kidney Pills a few days, my back feels as strong as ever and the action of my kidneys becomes regular."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moore had. Foster-McMillan Co., Props., Buffalo, N. Y. m29a5
