Could anyone fool you on a Rose
 —with your eyes blindfolded?

Of course not—
 "Your Nose Knows"

By its fragrance alone does the rose makes its universal appeal. Nor can anyone fool you on tobacco either if you rely on your unerring, personal sense of pure fragrance. Tobacco without a definite pure fragrance is like a rose without perfume—"Your Nose Knows."

But
Tuxedo
 The Perfect Tobacco for Pipe and Cigarette

is the rose of tobaccos. Its rich, ripe Burley leaves, grown in the "Blue Grass" region of Old Kentucky, are so carefully aged and blended that its pure fragrance is as individual, as appealing as the rose—"Your Nose Knows."

Try this Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, pure fragrance will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—
