Smith-Veatch.

A wedding of unusual interest to people of Cottage Grove was that of Joseph Thomas Smith and Miss Mabel Preston Veatch, which took place at Albany on Friday, July 13.

The wedding came as quite a surprise to the many friends of the couple. It was solemnized in Albany in order that the ceremony might be performed by Rev. McGee, who is an uncle of the bride and who twice served as pastor of the Presbyterian church in this city. It was hastily arranged because of the probable departure at any moment of the bridegroom, who is a member of Dr. Kuykendall's ambulance corps, which is expected to see immediate service on

July 12-19-26

Mr. and Mrs. Tom Richardson, Miss Estes, and the hostess.

The Joker club held a picnic on Mosby creek yesterday afternoon. Mrs. J. D. Westenhaver, a member of the club who is soon to move from the city, being the guest of honor. Card playing and "good eats" were the diversions.

The M. P. G. club has discontinued its meetings for the summer.

Deight Valley Society.

Mrs. Adney pleasantly entertained the O. T. X. club last Wednesday. The main feature of the afternoon was a stork shower, a surprise given the hostess by members of the club. Kathleen Allen and Mrs. Johnson favored the club with some piano selections. At the close of an unusually pleasant session refreshments of sandwiches, pickles, cake and coffee were served.

The soldier boys of this district were guests of honor at a gathering Friday night at the school house. Several speeches were listened to, after which a social time was enjoyed. Fried chicken, bread and butter sandwiches and pie were served. A number from this side attended.

Mount View Society.

Mr. and Mrs. J. R. Cooley and daughter Elizabeth moved their household goods to Cottage Grove last week. A picnic was held Sunday on the river and all the neighbors gathered in their honor. Dinner was served on the ground under the trees and ice cream was made at intervals during the day. Those present were Mr. and Mrs. J. R. Cooley and daughter Elizabeth, Mr. and Mrs. C. W. Sears, Mrs. Kate Sears, Bertha Sears, Frank Sears, Peter Willard, Lawrence Hare, Mr. and Mrs. E. Kelley, Mr. and Mrs. F. J. Hellwell, Mr. Cox, Frank Will, Edgar and Virgil Kelley, Geraldine Spang, W. D. Heath, Carrie Heath and Marion Lowry.

Saginaw Society.

A reception was given for the militia boys at the school house Friday evening. Mr. Beatty, of Cottage Grove, and Mr. McClellan were the speakers for the evening and a large crowd was present.

A jolly crowd enjoyed a delightful social evening and an ice cream feed at the home of Mrs. Cora Taplin Sunday.

CHALLENGE

To Corpulent Twirlers of the Sphere:
As captain of the Leans I hereby challenge those of surplus avoidipolita to a game of base ball, both gross and net receipts to go to the mess fund for Sixth company.

Not wishing to take any undue advantage of you of superfluous adipose tissue, I hereby warn you that there is in store for you the worst drubbing of your lives. I would suggest that you don your bathing suits and be properly prepared for the sweating that is in store for you. Each should bring his family physician, for the fatalities are likely to be many as we bat the sphere all over the field. We will make you dizzy watching our men circle the bases. You will have little time to cool off or regain your breath when it comes your turn at bat, if such a thing should happen, for you will be retired with neatness and dispatch.

When the score on our side reaches 100 the game will be called. Players with the fats must be between 160 and 200 pounds.

Now, you lubbers, if you have any nerve, get in or forever be branded as slackers.

SAMMY LOOPHOLE MACKIN,
Captain of the Leans.

Oregon Suits Them.

Wiley Hamm and Louis Miller, of Eugene, were in the city Monday evening en route home from a motorcycle trip to California points. They were in Vallejo the night the powder magazine disintegrated and were not especially entranced with the experience. They said that all the bad roads in the world are not located in Oregon, and that the hot weather we have here is only a cheap imitation of the real thing. "Why," said one of the boys, "it was only ninety something or other when we crossed the Oregon California line, and we had to put on our coats and turn up the collars to keep from catching cold. Believe me," he concluded with profound conviction, "there's no place like home."

TALES OF THE TOWN

Mrs. Allie Robinson last week filed suit for divorce from James H. Robinson, several reasons for the action being alleged. Mrs. Robinson asks the custody of the children and that she be awarded money for their support, alimony, and costs and disbursements.

Robert Atkinson was called here from Portland by the serious illness and subsequent death of his father, John Atkinson. Robert is now a sergeant in the office of the adjutant general at Portland.

Mrs. Earl Keene and two children, of Altou, Kansas, are visiting at the home of Mrs. Keene's parents, Mr. and Mrs. William F. Lynch, south of town.

Jack James Suicides.

The following from the Scott Valley Advance concerns a former resident of Cottage Grove:
As we go to press we learn that Jack James, who was living on his homestead near the A. P. Williams ranch on the Callahan-Gazelle road, committed suicide by shooting himself about nine o'clock this morning.

Coroner Turner arrived on the scene before the man was dead. The act of James is a great surprise to his many friends in the county and no motive can be offered.

He was a member of Scott Valley Lodge No. 229, Knights of Pythias, and was well known here. He had mined for many years on the Salmon and worked around in the valley. Several years ago he was caught in a cave-in, and had been in poor health since.

Fire Damages Hall Home.

A fire Monday morning caused considerable damage at the C. S. Hall home on the west side. The roof was almost a complete loss and considerable wallpaping will be necessary to put the house in a state of repair.

Social Nets \$100.

The social given on the McCargar lawn Saturday netted \$100 for the mess fund of Sixth company. The band furnished music in the evening and the members of Sixth company gave an exhibition drill on the street in front of the lawn.

Card of Thanks.

We wish to express our sincere appreciation of the many kindnesses shown us during the sickness and death of our husband and father, John Atkinson.

MRS. JOHN ATKINSON AND FAMILY.

Card of Thanks.

We wish to thank the friends for their kindness during the sickness and at the time of the death of our mother and grandmother, Mrs. Eunice Florer, and also for the floral offerings.

MRS. J. M. FLORES, MRS. EDITH SEXTON.

A live community wants a live newspaper. There can be no live newspaper without the support of those who wish such a newspaper. Are you doing your bit?

BACK FROM THE TRENCHES

Truman Armstrong, Who Appears for the Last Time at the Arcade Theater Tonight.

Mr. Armstrong spent 13 months in the first line trenches of Europe and took part in five of the principal battles. He was four times wounded, the last time at the Battle of the Somme, where he lost the instep of his left foot from a piece of shell, and at the same time was blown into a dugout and injured internally.

Mr. Armstrong displays his discharge certificates, service pins and medal with which he was decorated by King Albert of Belgium. His talk is a most interesting story of his experiences and the life of a soldier on the firing line. He appears wearing his Scottish uniform, which has seen service in the trenches.

There is also an entire change of picture program of six reels. Mr. Armstrong's talk follows the pictures.

DAMAGE TO KANSAS WHEAT.

Inspector of Fields Estimates Millions of Dollars of Loss.

Damage to Kansas wheat by the Hessian fly is estimated in millions of dollars by J. W. McCulloch, instructor in entomology, Kansas State Agricultural college, who has inspected fields in practically every section of the state. Thousands of acres of wheat will never be harvested.

"Damage is severe in the eastern two-thirds of the state," says Mr. McCulloch. "That it is serious is shown by the way it has affected the wheat market."

"Nothing can be done to control the insect at this time, but the farmer should keep in close touch with the situation and immediately after harvest start to put into practice the methods of control that have been found to be practical and effective."

"The stubble should be disked immediately after harvest. This starts the growth of volunteer wheat and tends to bring an early emergence of the fly. It also makes plowing much easier at a later date. Three or four weeks after disk the ground should be plowed at least six inches deep and all volunteer wheat and stubble buried. This will also bury practically all the flies."

The agronomy department has shown that where the ground is prepared in this manner it not only produces maximum yields, but that the crop may be planted with safety later in the season.

The sowing of the crop should be delayed until the fly free date, which the entomology department will furnish any farmer for his particular section of the state. The date of safe sowing in average years is at least as early as the date on which wheat should be sown to make maximum yields. To obtain the best results in controlling the Hessian fly farmers should cooperate in fighting the insects.

That many farmers are successful in preventing serious damage by the Hessian fly is well illustrated in the eastern part of McPherson county and the western part of Marion county this year. In this section the control measures advocated on the "Hessian fly special" conducted by the agricultural college in co-operation with the Santa Fe Railway company in June, 1915, were put into effect by the majority of the farmers.
