The Rexall Store

ONE CENT SALE!

Monday, Tuesday, Wed'sday, July 23, 24, 25

YOU ASK US, "WHAT IS A ONE-CENT SALE?" It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. An illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class, standard piece of merchandise, just the same as we sell you every day at regular prices—and have sold for years.

YOU ASK US, "CAN YOU AFFORD TO SELL MERCHANDISE AT THESE PRICES?" Our answer is "We Cannot." This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full-size package of high standard merchandise for 1c. It costs money to get new customers and the loss taken on this sale will be well spent if the goods please.
