Watch This Space For Bargains in

Used Cars

One of the best ways to learn to drive a car is to get a second-hand one. Then any mishap is not so serious. There are many who hang back about buying a car because they do not feel that they can afford one of the new ones. Many of the second-hand ones are just as good as new ones as far as service is concerned and will serve your purpose until such time as you can afford a new one. Anyone can afford a car at the prices you name below on used cars, some of which are in the best of condition. You can get just as far and just as often with a second-hand car and get just as much pleasure out of your trip. Look these over.

Possibly you don't like the idea of buying a new car until after you have learned to drive. How would one of these do for you to practice up on? 1912 FLAUNDER 20; in fair condition; not a modern car, but has lots of service left and is going quick at... \$200 1913 PATERSON; 30 h. p. Lots of power and lots of value at only... \$210 E. M. F. 30; good tires and a bargain at... \$250

Wouldn't you like to have a car that can show 'em all where to head in at? BUICK SPEED ROADSTER in tip top mechanical condition and will do 90 miles when the cops aren't looking. Well worth more than the price... \$500

If you want class and yet do not feel that you can pay the price of a new car, here is just exactly what you want: 1913 OVERLAND; model 71; self-starter and electric lights; just as good as new for all purposes and in A No. 1 condition. We will move it at... \$600

Any use for a motor truck? If you have, take a good look at the following: STUDEBAKER combination truck; a good tire equipment and car in first-class condition; will soon pay for itself at... \$750

OLD CLOTHES WANTED FOR WAR SUFFERERS

Honor Guard Girls Will Give Supper on Saturday, January 19.

A week from Saturday is the day set aside for the gathering of old clothes to be sent to the suffering Armenians. If those having old clothes that still have some service in them will kindly have them ready, members of the Honor Guard will call for them. Having the clothes ready will greatly assist those engaged in this work, who are giving much of their time.

In the evening, from 5 to 8 p. m., the Honor Guard will give a supper in W. O. W. hall, to which all are invited and urgently requested to attend.

HONOR GUARD NOTES.

Here are a few extracts from the Honor Guard magazine:

Don't be a knocker.

Don't think you possess all the wisdom of your guard.

Don't forget that your obligation of loyalty to our United States and Honor Guard requires you not only to pay dues promptly but to do everything possible for the building up of your local guard.

Don't do anything, either in public or private, that will cause unpleasant comments about the Honor Guard girls as a whole, or yourself individually.

Don't be a leaver; be a lifter.

Plans are well under way for our supper and entertainment to be given Saturday, January 19. Soliciting committees from the Honor Guard will canvass the town for food donations. Supper will be served cafeteria style so you can buy much or little as you desire. The orchestra will play during supper and a splendid program will be presented at 8 o'clock. Following that will be a play hour for all young people.

The aprons for Sixth company are finished and also 16 comfort kits, made by Corps 2 of the Honor Guard. This class is progressing very rapidly under the leadership of Mrs. J. B. Protzman and Mrs. Orpah Henson.
