#### THE OLD FOURTH ENGINEERS

By B. McQuay, North Carolina  
We belong to the regulars,  
The old Fourth Engineers,  
We're only part of the rank and file,  
But someone holds us dear,  
Many a mother's heart will ache  
Within the coming years,  
But Uncle Sam'll take off his hat  
To the old Fourth Engineers.

We're the old Fourth Engineers,  
We're true soldiers, one and all;  
From the Rocky Mountains to the coast  
We've answered our country's call  
From Canada to Mexico,  
Beneath the southern skies,  
We've come to help the rest of them,  
And the job is just our size.

When we get over across the pond,  
We know just what we'll do—  
We'll make the kaiser salute our flag  
And, boys, he'll do it, too.  
We'll dig our trenches in no-man's land,  
We'll pitch our tents in Krupp;  
And once we pitch them over there,  
Be damned if we'll take them up.

#### Light Snow Falls.

The first snow of the winter fell here Wednesday morning and it was a very weak imitation of the real thing. It melted almost as fast as it fell and had disappeared before the middle of the day. In the hills about the city, however, it still remains and has a pretty appearance from this comfortable distance. A few flakes have been falling off and on since Wednesday but have melted almost before striking the ground.

## Why Not

Why not buy a used car for this wet, muddy weather, get your money out of it later on and get a new car for the summer season, or

Why not buy a used car and use it both winter and summer? You can get the same service for less money, if you are not too particular about the looks of the car.

Why not learn to drive with a second-hand car? You can learn just as well. Then if you have any accidents the damages are not so great.

Why not buy that 1912 Flanders 20? Not as good looking as a new car but a mighty good bargain at \$200; or

What's the matter with this 1913 Paterson at \$210? Lots of power and a big bargain; or

Try this E. M. F. 30 at \$250; good tires and a bargain at \$250; or

If you want speed, here it is in this Buick speed roadster. In fine mechanical condition and can do 90 an hour if you're willing to take chances with the cops and with your own carcass; or

If you want class at less than the price of a new car, here's exactly what you want in a 1913 Overland, model 71, equipped with self-starter. Just as good as new for every purpose and a fancy bargain at \$600; or

Perhaps you could use a motor truck. If so, we have that, too. A Studebaker combination truck with good tires and in first-class condition. It will soon pay for itself at \$750.

### DON'T RISK NEGLECT

Don't neglect a constant backache, sharp darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. A Cottage Grove case:

A. Rogers, retired farmer, 407 North G Street, Cottage Grove, says: "I have taken Doan's Kidney Pills off and on for several years and they have always done me good. I have been subject to attacks of kidney trouble which have made it hard for me to control passages of the kidney secretions. I have found that after I have taken a box of Doan's Kidney Pills my kidneys have become normal."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rogers uses. Foster-Milburn Co., Props., Buffalo, N. Y. 18-15

#### Red Cross Report.

At a meeting of the executive board of the Cottage Grove branch American Red Cross the question of benefit entertainments for the Red Cross was discussed and the unanimous action of the committee was that in future such benefits will be declined. The sole exception made are small benefits by auxiliaries, the advisability of such to be passed upon by the branch. It was pointed out that benefits usually produce very little and usually carry with them considerable overhead expense. Our citizens are giving the Red Cross considerable, and it seems unwise to be constantly before the public asking for money.

The following gifts were handed in: W. O. W. lodge, \$5; Miss Hooper, \$3; S. W. Boyd, \$5; Mrs. Ella Thompson, \$5 and butter; Wildwood friends,
