**Elocution Class Entertains.**

Mrs. Ora Read Hemenway's class in elocution entertained the music classes of Mrs. Robert Sutcliffe and Mr. and Mrs. Leon DesLarzes in the Christian church parlors Monday evening. A very creditable program was given by the pupils of the different teachers. The elocutionists taking part were Martha Wilkinson, Hazel Loucks, Maud Doyle and Mrs. H. F. Oakes, each of whom gave splendid interpretations of their numbers. Later in the evening little Ruth King and Jorene Burrows, aged four years, entertained with readings.

The piano number by Hildred Hall was played in fine style, while the duet by Gordon Wright and Lloyd Edwards made a great hit with the audience. The vocalists were Mrs. C. E. Frost, Lillian Lewis, Leslie Hull and Ethel Mackey, the latter being from Divide. Each number was rendered in a finished manner. Little Miss Mackey has a voice of great promise. The complete program was as follows: Piano duet, Lloyd England and Gordon Wright; reading, "As the Moon Rose," Maud Doyle; vocal solo, "A China Tragedy," Lillian Lewis; reading, "A Toboggan Slide," Mrs. Ada Oakes; pianologues, (a) "Someone to Love Me," (b) "Something Forgotten," Hazel Loucks; child impersonation, Maud Doyle; vocal solo, "My Heart Is Singing," Mrs. Frost; reading, "Cromation of Sam McGee," Hazel Loucks; vocal solo, "Out on the Deep," Leslie Hull; reading, "Feast of Belshazzar," Maud Doyle; vocal solo, "My Dear Jerushy," Ethel Mackey; reading, Riley's "Bear Story," Martha Wilkinson; piano solo, "Arabesque," Hildred Hall.

The Constellation club meets at Masonic hall next Thursday.

The regular monthly Eastern Star supper was held Friday evening, there being a large attendance. Mrs. Will Hall, Mrs. Harry Wynne and Mrs. C. H. Corson were the hostesses. After the regular Eastern Star meeting, which followed the supper, a farce, "More Time Out," was given by Star members, parts being taken by Miss Frances

Beatty, Mrs. T. C. Wheeler, Mrs. S. V. Allison, Mrs. C. H. Corson, Mrs. W. J. Woods, Miss Carolyn Schelling and Mrs. Elbert Bode.

The M. P. G. club meets next Tuesday with Mrs. Alfred Skel.

**HONOR GUARD NOTES.**

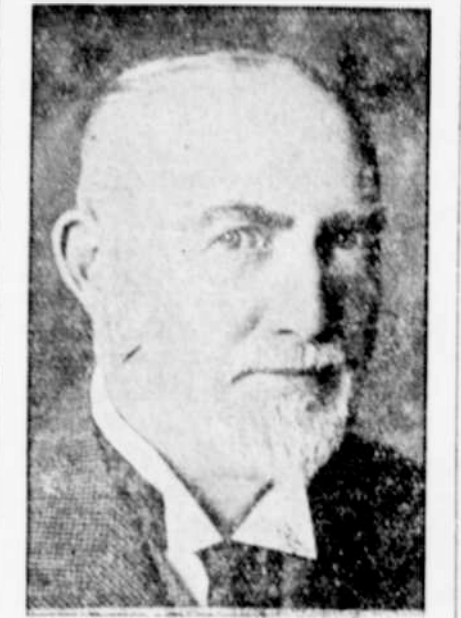

The Honor Guard assisted the Third Liberty Loan committee by taking a census of the town Wednesday. The city was divided into districts and the following captains were appointed: Myrtle Swanson, Hildred Hall, Susie Witherox, Louise Mattheyer, Florence Hickey, Ruth Phelps, Beulah Hawkins, Pauline Smith, Myrtle Potts, Lela Ferguson, Ada Gilchrist, Muriel Shay, Alice Garetson, Ruth Jorgenson, Juanita Short, Trysta Martin, Grace Harding. Later in the campaign Honor Guards will assist in making out questionnaires.

We are going into our war gardening in earnest this year. Members are divided into six different divisions. Each division will secure land and plowing of same, plant crops and take entire charge of their cultivation. We will conduct these gardens in accordance with the same rules by which the Cottage Grove school gardens will be governed, as many of the Honor Guards are high school students. Members will be required to fill out same reports. The members of each division are required to report progress at next business meeting Tuesday, April 2.

We have received copies of March issue of Honor Guard magazine, one of the best yet. "Chat with Cottage Grove," written by our associate editor, Miss Fern Holcomb, is very good. We wish everyone might receive copies. It is certainly a splendid exposition of Honor Guard work in Oregon. When we contemplate the fact that there are some 65 Honor Guard branches in the state, we realize that the Honor Guard is not an empty name but stands for something in war work. The Dallas Guard alone has earned over \$1000 since organization, which money has been used for patriotic purposes.

**WITHYCOMBE AND ANDERSON ARE OUT**

Governor James Withycombe has announced his candidacy for renomination. In his announcement he takes a strong stand for support of the administration in the war and for the rendering of

Governor James Withycombe

service to the flower of Oregon's young manhood now in the service of the country. He also takes a strong stand for state development, as well as rigid economy. He says that he wishes a vote of confidence from those who feel that he has served them faithfully.

Dr. J. E. Anderson, of The Dalles, is the fifth to make his formal announcement for the republican nomination

DR. J. E. ANDERSON

for the governorship. Dr. Anderson is known as "The Father of Prohibition," but he has been a strong supporter of all progressive legislation and made a splendid record during several sessions in the legislature.

**RED CROSS NOTES.**

Our superfluity shop is badly in need of donations. Fruit, books, fancy work, clothing, men's and boys' hats, shoes, shirts, foods, cottage cheese, butter and eggs—in fact most everything and anything sells. We have calls for things for which we expected no demand and we have sold things that we had no idea anyone would want. So, no matter what you have that you do not want, or which you wish to give to the Red Cross, we can most likely use it.

The shipment last week consisted of 24 pajama suits, 11 bed shirts, 5 pairs of bed socks, 14 helmets, 7 sweaters, 6 pairs of knitted socks and 514 surgical dressings. The shipment this week consisted of 1140 surgical dressings, 40 bed shirts, 20 pajama suits and 5 pairs of bed socks.

**RED CROSS WORKERS GET NO PAY FOR THEIR SERVICES**

There are still some who ask how much some of the Red Cross workers are paid for their services. These have not done any great amount of work at any of the Red Cross rooms or they would know that no one connected with the Red Cross gets a cent, directly or indirectly, for his or her work. Many women put in almost their entire time and get not a cent for their labors. No one is permitted to in any way make a profit from services for the Red Cross. That is one reason why all articles offered the Red Cross must be given and why the Red Cross name cannot be connected with any enterprise unless all the receipts go to the Red Cross. If anyone has any idea that anyone is making any profit from the Red Cross the district attorney would be pleased to be informed of the facts.

**REPLIES TO WANT AD. ABE TORMENT TO SENTINEL ADVERTISER**

"For goodness' sake take out that ad. of mine advertising a cow for sale," said W. A. Hemenway in a tired voice over the phone the other day. "I can't go out of doors, or down town, or answer the phone but what someone wants to buy that cow. I don't care if the ad. hasn't run the length of time for which I paid for it. Take it out. I'm losing ten pounds a day in weight being bothered so much by people who want to buy that cow." Comment would be superfluous.

The want ad. way is the right way.

**MRS. LYDIA HICKEY DIES AT SPRINGFIELD**

Springfield, Ore., March 23.—The funeral of Mrs. Lydia Hickey was held Friday afternoon at the chapel. Rev. K. O. Storli, pastor of the Lutheran church of Eugene, officiated.

Deceased was born in Canada and was aged 68 years. For the past 27 years she had resided in Cottage Grove and since the death of her husband in January, 1917, she had made her home with her children at various places. She was a member of the United Brethren church. Following an operation of a month ago, she grew gradually weaker until the end came, at the home of her daughter, Mrs. W. R. Denny, in West Springfield, Wednesday evening.

She is survived by five children: S. Hickey, of Cottage Grove; Mrs. M. Sargent, Mrs. Len McKinney, of Olympia, Wash.; Mrs. W. R. Denny, of West Springfield, and Mrs. J. W. D. McKell, of this city.

**TILLAMOOK CITIZENS CHASTEN DISLOYALISTS**

Tillamook, Ore., March 25.—Tillamook citizens insist on loyalty to the American flag. Last evening about 200 men waited upon John Plasker and demanded that he salute and kiss the United States flag, which he did without resistance or even remonstrance.

Plasker is the proprietor of a restaurant here and is reported to have made the remark that if Germany broke through the English lines on the western front the war would be over in 30 days. The crowd concluded that he meant Germany would win the war and that his sympathies were with Germany. Plasker asserted that he meant no wrong and that he is loyal to this country.

After Plasker had complied with their request the same people repaired to the Ramsey hotel and by force extracted therefrom and escorted to the street a man named J. B. Delsman, who claims to be a traveling solicitor for a correspondence school. He was compelled to kneel in the street and kiss the flag. Delsman was accused of declaring last Saturday evening in Plasker's restaurant that the German soldiers were no worse than the boys in khaki in this country.

After kissing the flag he was warned that if he offended again he would be tarred and feathered. The crowd was orderly, but determined not to tolerate any remarks that can be construed into disloyalty.

**LANE FARMERS ARE PROVING PATRIOTISM**

Much More Feed for Stock Will Be Raised Than Ever Before.

Lane county farmers are proving themselves both patriotic and good financiers, says W. A. Ayer, marketmaster and manager of the Lane County Co-operative Shipping association. Probably no man in Lane county, except possibly County Agent N. S. Robb, is better posted on the stock and grain situation than Mr. Ayer.

When asked as to the future hog and cattle situation, Mr. Ayer declared that never before have the farmers gone so thoroughly into the work of raising the feed to mature their stock as they will do this year. He states that the abnormally high price of feed will compel the marketing of some immature stock, but that there will be even more breeding stock raised than usual and that never before have farmers planned as effectively to raise the feed necessary to mature the coming hog crop.

Not only will the coming corn acreage be slightly increased, but there will be much more barley raised than in the past, and the number of silos in use will be materially increased.

This, Mr. Ayer declares, is not only patriotic, but will prove very much to their financial benefit, as he is satisfied that it is poor policy for a farmer to attempt to raise stock and buy his feed.

Another very encouraging sign is the inquiries as to other feeds besides grain. Farmers are turning more and more to silage root crops and other home-raised substitutes for shipped in grain.

**Mooseheart Souvenir.**

"Mooseheart," the little city where the Moose lodge cares for orphans of members and for indigent members themselves, which is being greatly enlarged, is to be done into beautiful souvenir book form and it is said that this will be the greatest thing of the kind ever offered the world.

**L. E. BEAN ANNOUNCES CANDIDACY FOR HOUSE AMONG THE CHURCHES**

Louis E. Bean, of Eugene, has sent to the secretary of state his declaration of candidacy for the republican nomination as representative in the state legislature from Lane county.

Mr. Bean has been in the legislature a number of terms. In 1908 he was elected to the house and served during the session of 1909; in 1910 was elected as joint senator from Lane and Linn counties and served during the terms of 1911 and 1913, and again was elected to the house in 1916 and served during the term of 1917. He was a candidate for the speakership at the last term but was defeated by Robert N. Stanfield, who is at present a candidate for United States senator.

Mr. Bean says he will not seek the speakership this year, but has stated that he will support Herbert Gordon, of Multnomah county, who has announced that he will try for the honor.

**CARLTON E. SPENCER IS NOW LIEUTENANT**

Lieutenant Carlton E. Spencer, son of County Commissioner E. R. Spencer, was the first man to be graduated from the adjutant's training school of the aviation corps at Columbus, Ohio. He graduated on Washington's birthday. From there he was sent to Chanute Field, Rantoul, Ill., from which place he expects to go to Langley Field, Hampton, Va., and from there he expects to leave soon for somewhere in France.

Lieutenant Spencer states that he is the first Oregonian to graduate from that school, which is the only adjutant training school in the aviation corps.

Lieutenant Spencer is a graduate of the University of Oregon and of the University of Oregon school of law.

**COURT HOUSE BIDS WILL BE ADVERTISED**

The county court Thursday accepted the plans of John Hanzicker, architect in charge, for the addition to and remodeling of the court house and have ordered the advertisement for bids to be received up to April 8.

The proposed addition will be well shaped and will be placed upon the northeast of the present structure. The plans provide that the assessor's office will be on the main floor of the addition and the county clerk will occupy the rooms now occupied by the sheriff and county court, and also have large vaults in the new portion.

The sheriff will have the clerk's present quarters. The county court will occupy the present circuit court room, while the circuit court will have quarters in the addition.

**To The American People**

There is no foundation for the alleged violations of law attributed to our Company by agents of the Federal Trade Commission and I want to say emphatically that Swift & Company is not a party to any conspiracy to defraud the Government. Nor has Swift & Company been guilty of improperly storing foods or of making false entries or reports.

Conferences of packers, where prices have been discussed, have been held at the urgent request and in the presence of representatives of either the Food Administration or the Council of National Defense. And yet the packers have been accused of committing a felony by acting in collusion on Government bids!

We have done our best, with other packers, large and small, to comply with the directions of the United States Food Administration in all particulars, including the furnishing of food supplies for the U. S. Army and Navy and the Allies, now being handled through the Food Administration.

We will continue to do our utmost, under Government direction, to increase our production and assist the Food Administration. We consider that the opportunity to co-operate whole-heartedly and to our fullest powers with this branch of the Government is our plain and most pressing duty.

The Trade Commission Attorney has, by false inference and misplaced emphasis, given to disconnected portions of the correspondence taken from our private files and read into the Record, a false and sinister meaning with the plain purpose of creating antagonistic public opinion.

The services of the packers of the United States are most urgently needed, and I regret exceedingly that we should at this time have to spend our efforts in defending ourselves against unfounded, unproved, and unfair assertions such as are being daily made public.
