SWAT THE HUN!

We have been asked to utilize our advertising space this week to push the sale

of Liberty Bonds. There is now an advertisement written in fire and blood

can never be reached through any effort of ours! The prospect of hundreds of

thousands of our boys going out to meet the Hun, realizing that many thou-

sands are going to almost certain death, should inspire every patriot on this side

with the spirit of battle and self-sacrifice. Because the horror and carnage

of war is so far away, we are given a false sense of security, and fail to realize

the heroic sacrifices of the men in the trenches who must endure torments and
