

After a flight, and maybe a fight, a small chew of Real Gravely braces him up for another trip

Someone Sent Him a pouch of Real GRAVELY Chewing Plug

Tobacco is about the only comfort the soldier has—and no chance to smoke on duty! But a satisfying chew of Real Gravely Plug—he can enjoy that even in a shell hole in No Man's Land. Give any man a chew of Real Gravely Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravely, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravely with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELY

Dealers all around here carry it in 10c. pouches. A 3c. stamp will put it into his hands in any Training Camp or Seaport of the U. S. A. Even "over there" a 3c. stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.

Just say to them, goodbye Joe. Be a little more careful, a lot more prayerful.

And don't break your political lance. Don't consign this verse to the editorial hearse.

And you'll have just a long shot chance.

Now let me say in conclusion, dispel any illusion.

That may be lurking in your ugly pate. For, if you fail to publish this, you will make a big miss.

And be defeated as sure as fate. And in addition hereto, I'll say to you, And I say it upon my honor,

That if you fail to comply, this is my deft.

And I'll send it down to Conner.

Dr. Oglesby, when charged with being the author, blushing denied the charge. Suspicion has since rested upon O. M. Kien, but he modestly refuses the honor that would be thrust upon him.

With these explanations the mystery is left with Sentinel readers for their solution.

One of a Series of Informative Articles on Dental Hygiene—No. 2

Good Health Demands Good Teeth

"MORE physical degeneracy can be traced to neglect of the teeth than to the use of alcohol," says Dr. William Oiler, the eminent authority. And Prof. Lewis M. Terman, in his treatise, entitled, "The Hygiene of the Child," says that out of 20 million school children in this country, 18 million are affected by disease of the mouth and teeth which underlies their health and progress.

Decayed and neglected teeth cause indigestion and mental backwardness. Tooth troubles may affect the heart, the eyes and ears—in fact, all our faculties are weakened by diseased teeth and a neglected mouth. "A decaying tooth, unpleasant as it may sound, is a rotting bone in your mouth," according to Arthur Brisbane, the famous editorial writer.

Diseased tonsils or a neglected mouth is not a joke. It is a constant menace to your health. There is no real excuse, except neglect and indifference. Once your teeth are in order you can keep them that way—for remember this—decay does not start on a clean tooth.

LORANE GOES OVER TOP IN DAY'S WORK

With Half of Territory Claimed by Another District, Siuslaw District Still Makes Good.

When it comes to doing things, Lorane, that beauty spot of the Siuslaw, always goes over the top. In the third liberty loan it had more than subscribed its quota after one day's work. The team did not start soliciting until Tuesday noon of last week and the next night made the following report:

L. O. O. F. Lodge	\$100
Lillie Crowe	50
W. A. Edlefsen	50
Claude Schrack	50

Through some mistake the Lorane district lost half of its territory and could have doubled the amount shown above had it had all of its original territory to work. The north end of the territory originally given to the Lorane committee is claimed by the people living there as being in the Greendoor Lone Cedar district and they insisted on having their subscriptions go to that district.

Bad Back Today

Backache is usually kidney ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors.

Mrs. J. J. Moore, Sixth St., Cottage Grove, says: "I am more or less subject to kidney trouble. My back gets very sore and lame at times and during this misery, my kidneys act irregularly. I feel tired-out and depressed generally. After I have taken Doan's Kidney Pills for a few days my back feels as strong as ever and my kidneys become normal."
