United States Senator Chas. L. McNary

Because United States Senator Charles L. McNary has made good he should be nominated to succeed himself in the Republican primary, May 17th.

From the day he became Senator he has loyally championed the prosecution of the war, and during his term of office has accomplished more for Oregon than any other member in Congress in a like period.

Among his colleagues he is known as "the man on the job," and during the present war crisis Oregon should consider itself fortunate in having an opportunity to return him and not be compelled to send to Washington a new, untried man.

Believing that the supreme obligation he owes his country is to help win the war, Senator McNary, instead of returning to his State to conduct a political campaign, is at his post in Washington working for Oregon and aiding in the prosecution of the war.

Always since entering the Senate he has been a friend of our soldiers and sailors and has introduced legislation giving them preferential homestead rights and repeatedly championed their cause when their welfare was in jeopardy.

Championing the cause of the Oregon farmers, Senator McNary procured for them a primary wheat market, saving thereby several million dollars to the wheat growers of the Northwest.

Realizing the present Food Control Law fails to fix prices for many commodities, Senator McNary has introduced, and is laboring for the passage of a bill, striking at profiteering and fixing prices on the necessities of life. Senator McNary has procured:

Government contracts for the first time in the State's history for Oregon products, such as prunes, dehydrated potatoes and vegetables in large quantities.

Large government contracts for factories for army clothing and shipbuilding yards and the lumber industry.

He procured space on British ships for the shipment of condensed milk and cream from Oregon condenseries, whereby the disaster which threatened this industry was averted.

Senator McNary is working:

- For prompt payment of allotments to dependent relatives of our soldiers and sailors.
- For the construction of a coast Military Highway at government expense.
- For a comprehensive plan for the utilization of Oregon's water power resources.

Senator McNary was born on a farm in Oregon; reared in the Baptist church; educated in the public schools; worked his way through Stanford University; is a lawyer and farmer and has been a life-long Republican. He was formerly a Justice on the Supreme Court and later chairman of the State Republican Central Committee.

Space forbids us further enumeration of the vast amount of work Senator McNary has done for Oregon, but any one will realize from the foregoing that the Senator has displayed truly remarkable ability, coupled with extraordinary diligence and energy. His native state can best show its appreciation of his faithful and efficient services by nominating and electing him.

SOCIETY.

Mrs. Orrin Robinson had as her guest Friday Mrs. Durkie, of Ashland, who has been visiting at the home of her son at Lane. Mrs. Robinson and Mrs. Durkie were neighbors 45 years ago. Two or three years ago Mrs. Robinson heard of a Durkie family and made inquiry to learn if it might be the same family, with the result that the reunion was held last week. Mrs. Durkie is now 87 years of age but still has a good memory and is quite spry. She has passed through many sorrows since she and Mrs. Robinson were neighbors. Her husband was crushed beneath an old barn which he was tearing down, and a two-year-old daughter was burned to death. Two other daughters and two sons are living.

The ladies' aid society of the Methodist church met Wednesday, April 24, at the church with Mrs. R. S. Swengel, Mrs. Jennie Fishburn and Mrs. Joseph Knotts as hostesses. The afternoon was spent with knitting and piecing quilts. There was a leaf-guessing contest in which Mrs. Andrew Brand won the prize, a bouquet of forget-me-nots. Vocal numbers were given by Mrs. Andrew Brand, Mrs. R. W. Glass and Miss Helen Breedlove, and Mrs. Glass read "The Boyless Home."

Fifty were present from Eugene to attend the regular meeting of the Eastern Star Friday evening, among the guests being Grand Patron Howard and Past Grand Patron Dunn. Millicent and Jennie Burrows and Donna Nichols, all little children, entertained the guests with readings. Light refreshments were served to the guests at midnight. The regular monthly 6 o'clock dinner by the Star was given preceding the meeting, at which about fifty were present. Mrs. Joe Porter and Mrs. Harry Wynne were the hostesses.

Mrs. G. M. Scott, the retiring president, was hostess to the Constellation club yesterday afternoon. The following officers were elected: President, Mrs. T. C. Wheeler; vice-president, Mrs. Andrew Brand; secretary, Mrs. C. H. Corson. Hoozerved refreshments were served at 5:30.

The M. P. G. club met Tuesday with Mrs. W. J. Woods, only club members being present. Hoozerved refreshments were served at 5:30.

Mount View Society.
Frank Sears and his mother, Mrs. Mrs. Kate Sears, were guests of honor at a farewell party Monday night at the J. R. Cooley home. Light refreshments were served. The evening, which

was spent with games, music and conversation, will remain a memorable occasion to the fifty or sixty friends and relatives who gathered to bid Mr. Sears a safe journey and a speedy return from his quest "for the Kaiser."

He leaves Wednesday for Camp Kern, California, and will go from there to France next month. Mrs. Sears will remain in the neighborhood for an extended visit among her many friends and relatives.

Divisions Nos. 3, 4 and 6 have yet to report in regard to agricultural progress. All other divisions have started work on gardens.

The Honor Guard has a limited number of comfort kits which it will be glad to furnish to soldiers. Have already given to Chester Vandenberg and two other recruits.

We have two granite pie plates that were left at our supper January 19, and numerous empty fruit jars. Owners can have same by calling at high school. Any other missing dishes will be replaced if owners will notify us and the dishes due cannot be found.

Friday night, May 4, is benefit night at the Arcade Theater for the Honor Guard. All tickets sold by Honor Guard girls and all admissions taken at window above a certain sum for expenses will go to the Honor Guard. Tickets: adults, 25c; children, 10c. Besides the film, "The Son of Democracy," the Honor Guard will put on a musical program. Miss Julia Witherow will sell tickets at window, and Misses Ella Counts, Myrtle Swanson, Susie Witherow, Florence Sylvester and Grace Olin will act as ushers.

Water Commissioner.

NOTICE TO USERS OF WATER.
Irrigating is prohibited for a few days until the Layug creek line is repaired. The supply from the west side reservoir is only enough for the necessary requirements and to use it for irrigation would endanger the city in case of fire. There will be plenty of water within a few days. G. B. PITCHER,
Water Commissioner.
