TUFF TV JANUARY 2015 PROGRAM SCHEDULE - PACIFIC (As of 12-30-14)

More channels added to all three SLTV systems

TUFF

South Lane Television is pleased to announce that SLTV's Dorena/Culp Creek site is now broadcasting three new channels of programming! In addition to the existing channels 11.1 – 11.5, viewers in the Row Valley will now receive channels 11.6 (KEZI's MeTV), 11.7 (KVAL's This TV), and 11.8 (KMTR's CW Network). And for viewers in Cottage Grove and London areas, a new channel called GRIT-TV is now available

For most viewers, these new channels will appear without any need to rescan your television. But if you are not receiving all 8 channels in Dorena/Culp Creek or the new channel 13.3 in Cottage Grove or London, please go into your TV menu and select "antenna" and "scan". Each set manufacturer has a little different prompt so you may see "autoscan" or "rescan". It will take a few moments for all the channels to be captured; 8 for Dorena/Culp Creek viewers, 12 channels for London viewers, and 26 channels in Cottage Grove.

As most of you know, South Lane Television's TV service is offered to you absolutely free. All you need is a suitable antenna and a clear signal path to our transmitting point in either Dorena, London, or Cottage Grove. Please keep in mind that our Dorena/Culp Creek system requires a good quality outdoor VHF antenna aimed to the top of Hawley Butte, but our Cottage Grove and London sites require a good UHF antenna aimed to the appropriate SLTV broadcast site. Also please remember that if your home is some distance away or you have obstructions between your home and the SLTV broadcast site, a preamplifier may be needed. Always buy the best antenna you can; never buy the cheapest. The better the antenna, the better success you'll have receiving a good, reliable signal.

South Lane Television is extremely pleased to be able to add these new channels to our systems and we are sure you'll very much enjoy the new programming!

Very sincerely yours, Lloyd Williams, President

These messages are brought to you as a public service by South Lane Television. Our goal is to continue

Stay tuned! South Lane Television, Inc.
A non profit organization serving South Lane County since 1957.
