SLTV Adds On-Air Program Guide

South Lane Television is pleased to announce that an on-air program guide has been added to the Cottage Grove system on SLTV Channel 47.4. The program guide scrolls through all of SLTV's 24 channels and gives the viewer a better indication of program choices that are available over the next two hours. This is particularly helpful for channels that feature movie titles, such as This-TV or AMG-TV, or for shows on OPB's two television channels (28.1 and 28.2) or OPB's two radio stations on 28.3, or maybe you enjoy the fabulous reruns on the new MeTV on channel 9.2, or sporting programs such as those offered on Tuff-TV (47.2) or Pursuit (44.1).

South Lane Television has worked hard to provide the best in free programming to our community, and I believe this new service will be of tremendous help to our thousands of local SLTV viewers who want to know what program choices are available.

South Lane Television provides 24 channels of high quality digital television to the Cottage Grove area. To receive this free community service all you typically need to do is to install an antenna. Many folks are surprised by the super-clear HD pictures they receive from SLTV. If a station is broadcast in high definition, you'll receive it in stunning, true, non-compressed HD quality from SLTV. And the best part, as I said, it is absolutely free. Again, all you generally need is the proper antenna aimed at Hansen Butte, located a mile southeast of Cottage Grove.

Please note that all TV signals can be blocked by hills, trees, etc., but if you can see the SLTV towers by day -- or the red lights at night -- you should be able to receive the signals. In town that may mean a simple indoor UHF antenna and out of town you will need an outdoor antenna. With distance or other issues, you may need an amplifier. Please try to buy the best antenna you can afford. Never buy the cheapest antenna as they are not always reliable. Once your antenna is installed, simply hit auto-scan button in your TV set-up menu you should capture all 24 channels from SLTV. You'll likely be surprised to find other quality channels you won't find on cable or satellite, including the Cottage Grove High School Channel. And if you live some distance from town, SLTV also operates two other FREE-TV systems in the London and the Dorena/Culp Creek areas they may be able to serve your home.

Lloyd Williams, President  
SOUTH LANE TELEVISION, INC.

These messages are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.

Stay tuned! South Lane Television, Inc. A non profit organization serving South Lane County since 1957.
