SLTV Adds KNND Radio to Channel 47.4

Viewer’s of South Lane Television’s free over-the-air TV service have likely found by now the new SLTV channel guide that recently appeared on our Channel 47.4. We are pleased to announce that 1400-AM KNND has been added to the audio portion of the channel to provide background music to the programming guide. We are pleased to be able to support Cottage Grove’s local radio station in this way. We are also receiving nice complements about the three additional channels recently added to SLTV’s Dorena/Culp Creek service. It wasn’t a smooth start, but all the channels are now working fine. Most of our problems with the Dorena/Culp Creek system stem from a lack of commercial power to the broadcast site. It is a real challenge to create enough power on-site to operate the Hawley Butte system -- but at the same time it is a challenge that we really enjoy! By using a solar array and a wind generator, we are able to create small but adequate amounts of power to satisfy our transmitter’s needs, with any excess power going into a bank of batteries designed to carry us through the night. In the event that we have a long period of cloudy weather and little wind, we have a back-up generator designed to come on when the batteries are too low. This system works surprisingly well, but with all of these components, it is fairly easy for something to go wrong. The days leading up to the Super Bowl was one of those times when there was not enough solar radiation or wind energy to maintain the system’s power needs, especially at night. Normally, the generator would automatically start to fully recharge the batteries, but not this time. And our engineer was in Colorado on a TV consulting job. Trouble-shooting from afar, he was able to get his back-up tech up to the site with instructions on how to get the generator operating before the start of the Super Bowl! A big thank you to Dan Mooney and his son Ben for solving this problem in time for the big game!

Happy Viewing,
Lloyd Williams, President

These messages are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.

Stay tuned! South Lane Television, Inc.
A non profit organization serving South Lane County since 1957.
