 It can be tough to stay on track this week, Gemini. It's hard to focus on work even for short periods of time. Try to maintain your productivity amidst the distractions.

 The line between fact and fantasy can be a bit blurry this week, Leo. You may be pulled in different directions, but try to maintain your focus.

 Sagittarius, encourage family members to gather in the coming days. Planning a day or evening with those you love most is a great way to escape the daily grind.

**AQUARIUS** - Jan 21/Feb 18  
 Aquarius, give a minor financial issue the attention it deserves. It's better to nip it in the bud early on so the situation does not escalate. Take responsibility for the problem.

 Cancer, if you have any free time this week, sneak off to a quiet place and daydream for a little while. Some of your most inspiring ideas have come at the most unexpected moments.

**VIRGO** - Aug 24/Sept 22  
 Virgo, rather than looking at things on the surface, dig a little deeper to try to find more profound meanings. You may unearth several interesting patterns.

**SCORPIO** - Oct 24/Nov 22  
 Recognize the potential for magic wherever you go this week, Scorpio. You have the ability to see beauty where others only see blemishes. Turn others on to your way of thinking.

 Capricorn, honor all of your commitments in the coming days. Recognize others are counting on you and do your best to live up to their expectations.
