THANK YOU SOUTH LANE COUNTY!

On June 19th the South Lane County Communities came together at Lincoln Middle School for the 2015 Relay For Life of South Lane County. Thank you, Cottage Grove, Creswell and all of the surrounding Communities, for your hard work. Together we raised over \$19,000 for the American Cancer Society and the fight against Cancer! We had 21 teams who, with the help of their sponsors and the community of Cottage Grove & Creswell, made Relay For Life 2015 a very special event. Over 500 luminarias lit the track during the night, recognizing those who have courageously battled the disease. This year 52 survivors participated in the Survivors' Victory Lap. This 18-hour event could never take place without the generous support of our corporate sponsors, donors, and the support of the people of South Lane County who gave their energy, their time, and their money. A special thank you to South Lane School District, the City of City of Cottage Grove and South Lane Fire & Rescue. Thank you, South Lane County! Thank you again and we'll see you next year, because there is no finish line until a cure for cancer is found.
