SLTV ADDS THREE NEW CHANNELS!

South Lane Television is pleased to announce that three new channels have been added to the Cottage Grove system.

17.1, KWVT is a Portland area channel with the Youtoo Network. This network provides a variety of programming from old movies to contemporary and viewer-interactive programming. Old-timers who remember Dave Sweeney, a celebrity weatherman on Channel 9 in Eugene some years back, is the weatherman on KWVT.

27.1, KSLM is the Retro-TV Network affiliate in Salem. This is a channel somewhat like MeTV -- a new favorite channel by many of our SLTV viewers.

37.1, KPWC Azteca/Oregon is a new Spanish language channel to serve our growing Hispanic population in South Lane County.

We hope this new programming adds to your TV enjoyment and it is brought to you absolutely free as we have been doing for nearly 60 years. For those not on the South Lane Television system, all you need is a UHF antenna for the service areas in Cottage Grove and London or VHF antenna in the service areas in Dorena and Culp Creek, and scan over the air channels.

Stay tuned for more information in coming months for more channels coming to South Lane Television!

Yours for better TV,

Lloyd Williams, President
South Lane Television, Inc.

These messages are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.

Stay tuned! South Lane Television, Inc. A non profit organization serving South Lane County since 1957.
