 Aries, make note of any and all thoughts that pop into your head this week. Even your more quirky ideas may amount to something that brings big success.

GEMINI - May 22/Jan 21
 It can be tough to stay on track this week, Gemini. It's hard to focus on work even for short periods of time. Try to maintain your productivity amidst the distractions.

LEO - Jul 23/Aug 23
 The line between fact and fantasy can be a bit blurry this week, Leo. You may be pulled in different directions, but try to maintain your focus.

 Sagittarius, encourage family members to gather in the coming days. Planning a day or evening with those you love most is a great way to escape the daily grind.

AQUARIUS - Jan 21/Feb 18
 Aquarius, give a minor financial issue the attention it deserves. It's better to nip it in the bud early on so the situation does not escalate. Take responsibility for the problem.

TAURUS - Apr 21/May 21
 Taurus, play things close to the vest this week. Certain projects are up in the air, and you may need to more closely examine each situation before suggesting a course of action.

CANCER - Jun 22/Jul 22
 Cancer, if you have any free time this week, sneak off to a quiet place and daydream for a little while. Some of your most inspiring ideas have come at the most unexpected moments.

VIRGO - Aug 24/Sept 22
 Virgo, rather than looking at things on the surface, dig a little deeper to try to find more profound meanings. You may unearth several interesting patterns.

SCORPIO - Oct 24/Nov 22
 Recognize the potential for magic wherever you go this week, Scorpio. You have the ability to see beauty where others only see blemishes. Turn others on to your way of thinking.

CAPRICORN - Dec 22/Jan 20
 Capricorn, honor all of your commitments in the coming days. Recognize others are counting on you and do your best to live up to their expectations.

PISCES - Feb 19/Mar 20
 Pisces, avoid distractions as you look to resolve an issue that has been tough to handle. Try to clear your head before making decisions.
