physical offices (call for address) or by first class, certified mail, return receipt requested, addressed to the trustee's post office box address set forth in this notice. Due to potential conflicts with federal law, persons having no record legal or equitable interest in the subject property will only receive information concerning the lender's estimated or actual bid. Lender bid information is also available at the trustee's website, www.northwesttrustee.com. Notice is further given that any person named in ORS 86.778 has the right, at any time prior to five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the trust deed reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or trust deed, and in addition to paying said sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and trust deed, together with trustee's and attorney's fees not exceeding the amounts provided by said ORS 86.778. Requests from persons named in ORS 86.778 for reinstatement quotes received less than six days prior to the date set for the trustee's sale will be honored only at the discretion of the

beneficiary or if required by the terms of the loan documents. In construing this notice, the singular includes the plural, the word "grantor" includes any successor in interest to the grantor as well as any other person owing an obligation, the performance of which is secured by said trust deed, and the words "trustee" and "beneficiary" include their respective successors in interest, if any. Without limiting the trustee's disclaimer of representation or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale. The trustee's rules of auction may be accessed at www.northwesttrustee.com and are incorporated by this reference. You may also access sale status at www.northwesttrustee.com and www.USA-Foreclosure.com. For further information, please contact: Nanci Lambert Northwest Trustee Services, Inc. P.O.
