Curtis Towns won the first night of the Mark Howard Memorial Cottage Grove Speedway Modified Nationals Friday at the Cottage Grove Speedway.

Continued from 1B

Berry had the field covered but was unable to develop too big of a lead because of several cautions. Seven total yellow flags took place in the main event, and Berry was able to keep all challengers in check — that is, until the final lap. A crash occurred in turns three and four, which prompted a yellow/checkered situation. And coming to the finish line, Cottage Grove driver Curtis Towns beat out Berry for the win.

Mark Carrell from Redmond also edged out Berry Jr. for second. Finishing behind Berry in fourth was Nick Trenchard from Klamath Falls, while Cottage Grove's Braedon Hand was fifth.

Hand was the fast time of the night during

time trials. Heat races were won by Hand, Nick Trenchard, Towns and Jesse Williamson. Albany native Craig Cassell won the consolation feature, and Jesse Williamson was the victor in the Race of Champions.

The top 10 in overall points from night one were locked into the feature on Saturday for the scramble. Those 10 drivers were (in order of points) Mark Carrell, Nick Trenchard, Braedon Hand, Curtis Towns, Tom Berry Jr., Collen Winebarger, Kinzer Cox, Mark Wauge, John Campos and Jesse Bailey.

Jesse Williamson would prevail in Saturday's feature event to win the second night of the Mark Howard Memorial Modified Nationals.
