### Saturday

#### Cowboy Cadillac

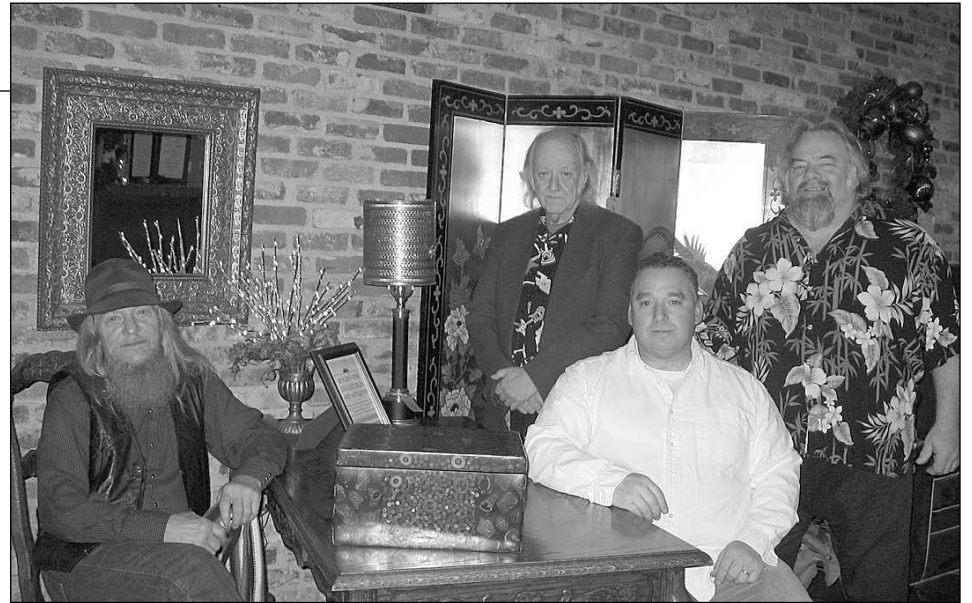

**Saturday, July 18 at 5:30 p.m.**

BMD welcomes back Cowboy Cadillac to the Main Stage on Saturday at 5:30 p.m. Where Bakersfield meets Nashville...

Band members describe their music as "a balance between studio-slick and devil-may-care-sloppiness, with equal parts Southern Rock, 50's R&B, Louisiana Swamp Rock, with a

modern country swagger."

Cowboy Cadillac's music is real spit-and-sawdust country rock with tremendously gritty vocals and scything guitars. They play smokin' country and rockabilly tunes and originals. It's country with an edge!

#### The Ridge (Formerly Windy Ridge)

**Saturday, July 18 at 8:30 p.m.**

BMD welcomes The Ridge back to the Main Stage as our Saturday headliner band at 8:30 p.m.

Windy Ridge, now simply known as The Ridge, has its roots woven deep in the musical fabric of Cottage Grove. Five of the members were born and raised in the Grove, and the sixth is a welcomed transplant from South Caro-

lina. Together they make up one of the longest enduring bands in the area. The band's signature musical style blends Rock, Blues, Country and a little jazz.

The guys are delighted to be back at Bohemia Mining Days and look forward to sharing a wonderful evening of music and fun.

The Ridge is: Curt Munsell, lead vocals and percussion; David Munsell, lead vocals, guitar and keyboard; Joe Tennis, lead guitar; Brian Gushwa, drums; Ken Bachelder, bass; Hal Holbrook, keyboard and guitar; Dave "Sonic" Schenkel, sound engineer.
