

Cowboy Cadillac

Saturday, Aug 15 at 9 p.m.

Cowboy Cadillac is the Willamette Valley's country'fied band with an edge. This band's signature sound is real spit and sawdust country rock with tremendously gritty vocals and scything guitars. Some say a little bit country and a little bit rock & roll. Members of this remarkable group have been entertaining local folk for many years now, so they know

how to make a Saturday night musically memorable. With Cottage Grove's own Dave Clark on guitar this is a not to miss event.
