A look back at Sentinel stories from 30 and 40 years ago

Sept. 25, 1975

Lions top Millers in see-saw match

Mark Sizemore dodged this Springfield defender and sever others off a 57-yard interception return in last Friday's game. The return positioned the Lions inside the 10-yard line.

Sizeable gain

Sept. 25, 1985

Dorena Grange celebrates its 50th birthday

Last Sunday Afternoon marked the 50th anniversary celebration of the Dorena Grange, an event attended by over 80 members and visitors, according to grange lecturer Alpha Pitcher.

Included in the program was the presentation of guests and charter members, a musical program by Tom and Debbie Trammel, a piano solo by Marvel McConnell, a guest speech by Allen Wheeler and a time capsule ceremony.

Charter members Mildred Bonkowski, Thelma Campbell and Avanelle Wicks were honored for their 50 years of membership with grange pins.

Past masters of the grange were also honored and a community service report was filed by Helen Millar. Herbert Collins delivered a building committee report and an agriculture report was given by Lillie Hemenway. Caroline Sessions reviewed work by the Committee of Women's Activists.

Present Grand Master Frank Sessions opened the program by welcoming guests and visitors while Alpha Pitcher gave a lecturer's report.

"I think it went real well," said Pitcher. "We were real pleased with the crowd and the music was excellent."

POLICE BLOTTER

Cottage Grove Police Department 24-Hour Anonymous Tip Line: 767-0504

Sept. 14

Shots Fired, N River Rd/Grimes Rd

A caller reported laying along the riverbank adjacent to location and that there is someone shooting a gun at him; the caller could not see anyone but has heard approximately five shots.

Sept. 16

Suicide Attempt, Butter Cup Lp

Multiple callers advised that a woman stated she took an unknown amount of pills and wanted to kill

herself. An Attempt To Locate was given to Lane County Sheriff's Office and Oregon State Police. Officers spoke with the nephew of the subject and advised that she is mentally ill and she began screaming at him and her cats for no apparent reason. The subject takes numerous medications.

Drug Info, S 8th St.

A caller advised three juveniles were in their school office under the influence of marijuana. All of the subjects were cited for a minor in possession of marijuana and released to school staff on scene.

Intoxicated Subject, E Main St. Safeway

Police got a 911 call from a female subject that fell down in the parking lot and was possibly injured. A second call from the fire commission advised that the woman was highly intoxicated and refusing treatment near the Pink House. The subject was transferred to the police department and later released to her husband.

Bike Theft, W Main St.

A caller reported that his bicycle was stolen and it could have occurred within the last week. The bike is a specialized stunt jumper worth approximately \$800.

Suicidal Subject, Bryson Sears Rd.

Caller advised that his girlfriend was sending him suicidal text messages. He was then transferred to the Lane County Sheriff's Office.

Missing Person Located, Gowdyville

A missing person was located on Gowdyville. Medics were routed as the subject took approximately 90 hydrocodone and 10-20 muscle relaxers. Operator was advised of the outcome and her vehicle was secured on scene.

CITY BEAT Selections from the City of Cottage Grove's Friday Update

ODOT visit

Mayor Tom Munroe, City Manager Richard Meyers and Public Works Director Jan Wellman met with Mick Hont, the new District 5 Manager for ODOT, this week. Franie Brindle, Area Manager, and Kevin Finch, Maintenance Manager, also attended. In addition to meeting the new District Manager they discussed projects and operations on the state right of ways.

Youth Advisory Council

After taking a break during July and August it is time to restart the Youth Advisory Council.

Any youth from 8th grade through High School age are invited to participate.

The YAC was created in 2004 by the City of Cottage Grove to provide an opportunity for the youth of the community to participate and voice their concerns regarding local issues and challenges. The City looks to the Youth Advisory Council as the primary communication link between local government and

youth on a variety of subjects and opportunities. In addition, members of the YAC serve as a Youth Representative at City Council meetings. The Youth Representative gets to participate as a member of the City Council to discuss and vote on City issues. The YAC meets regularly to discuss community issues and develop ideas for projects or activities to benefit youth, carries out the projects and activities and visit with other community leaders.

Applications for the YAC will be available online and at City Hall next week, and they are due for submission by Nov. 2.

Wastewater Treatment Plant Operator

Over the past several weeks, Public Works has been reviewing resumes and conducting interviews for a Wastewater Treatment Plant Operator. The City received a total of 13

Applications, and interviews were conducted with five finalists. The interview panel chose Ryan Barnes, and he will assume his duties with the City of Cottage Grove on Oct. 1.

Barnes comes to Cottage Grove from the City of Salem. He has an Associate of Arts degree in Water/Wastewater Technology from Linn-Benton Community College and currently holds an Oregon Wastewater Treatment Grade II classification.

Stakeholder Meeting

On Wednesday of this week, Public Works Director Jan Wellman attended the Lane County Waste Management Stakeholder meeting at Lane County Public Works in Eugene. The meeting was attended by approximately 30 waste haulers, recycle organizations, and cities throughout the county. LCWM staff discussed general operations, landfill issues, tipping fees, and recycling goals. Representatives from Oregon DEQ were on-hand to present the very ambitious solid waste diversion goals and objectives.

Digester Basins Cleaned

Both digester basins at the Wastewater Treatment Plant have been drained and cleaned. This activity is performed every 4-5 years and improves the functioning of the digester basins. The digester basins collect grit and sludge on the bottom of the

basins, underneath the bubble diffusers. This material needs to be washed out from under the bubble diffusers, vacuumed into a tanker truck, and transported to an approved disposal facility. The two digester basins are drained and cleaned one at a time. The material is aggressively pressed and the level of each basin is taken down to expose the remaining grit and sludge. Once this material is removed, the basin is placed back in service and the process is repeated for the other digester basin. The City says digester basins will not need to be cleaned again until 2020.

Asset Mapping Forum

The community is welcome to an Asset Mapping Forum on Tuesday, Sept. 29 from 6-8 p.m. at the Cottage Grove Community Center. The purpose of this forum is to hear from community organizations and individuals regarding the services and supports currently provided for children and families in the community by your organizations, churches, community groups, etc. The 90x30 Initiative www.90by30.uoregon.edu is sponsoring the event and inviting all interested members of the community to attend. The group has specific questions it will be asking to gather information.
