

Junior Raymi Piltz fights for the ball against Sweet Home.

Soccer

Sweet Home ranks near the bottom of the power rankings, making the blowout not very surprising, and facing a school that's ranked as low as them can sometimes hurt in the Lions' own rankings. After moving to the No. 8 spot in the rankings, the Lions win against Sweet Home made them drop out of the top 10 to No. 12.

But that's not much of a concern for the Lions right now.

"We just got to take care of business with each game," Stewart explained.

The Lions take on Sisters this week, and will have to travel to them to do so.

"It's not going to be a cake walk," Stewart said of playing

against the Outlaws.

Last year, the Lions didn't play well at all in their game against Sisters, but this is an entirely different team.

"This team is a lot more focused than last year, we're totally different," Stewart added. "If we play our game and do what we have to do, it will be a great game."

A win against Sisters would put Cottage Grove at the top of the Sky Em league and they would skip the play-in round. However, a loss would have them tied for first in the league and they would have to play an extra game in the play-in round (after their Thursday night game at home against Elmira).
