LONDON SCHOOL

CAMERON ISH

He has volunteered to on the responsibility of raising and lowering the flag each school day. Cameron

also brings in the school mail, works in the cafeteria and helps out in the library. Cameron takes care of the computers in his classroom and helps clean up after art class. Cameron is helpful to staff and very welcoming to our new students. He often picks up equipment from the playground and puts it away. It's obvious he puts good effort into his classwork, and produces quality work. He has made great improvement in his quality of work from last school year. It's been a pleasure watching his growth from 6th grade to 8th grade. In general, if something needs to be done, Cam is willing to lend a hand. You can always depend on Cameron to spread the hardworking, positive friendly spirit of London School.
