Dear Santa,
 How is it like in the northpole? Is it hot, cold or warm? I always wonder what it's like in the northpole. Does Rudoph really have a shiny nose? I am 8 years old and I live in Cottage Grove. For Christmas may I please have a pink skooter with glittery handles? I know it's a lot to ask for but if you have time please bring it to my Grama's house. I have been helping in my house and in school. I really appreciate that every Christmas night you go in your sleigh and deliver all those gifts to all the kids in the world. But how do you get to every child in one full night? I hope that you, your family, and all your reindeer have a merry Christmas and a happy new year.
