HOROSCOPE

ARIES – Mar 21/Apr 20
 Aries, if you assumed you were right on track, you soon will see why it isn't safe to assume. Do not take anything for granted and consider all potential outcomes.

GEMINI – May 22/June 21
 Gemini, even if you are uncertain about someone's intentions, it is best to give that person the benefit of the doubt. However, an ounce of skepticism never hurt anyone.

LEO – July 23/Aug 23
 Stop worrying about how others see you. Leo. This week own up to your beliefs, even if they seem to go against the norm. You may be surprised at the support you receive.

LIBRA – Sept 23/Oct 23
 Libra, frustration at work may not be directed at any one person, and you can't let it consume your life. Make the frustration work to your advantage instead.

SAGITTARIUS – Nov 23/Dec 21
 Don't try to erect barriers, Sagittarius. This week you have to let someone in and unburden some of the problems or thoughts that have been weighing you down.

AQUARIUS – Jan 21/Feb 18
 Try not to take the easy way out, Aquarius. When faced with some tough questions, stay strong and true to yourself. You will be happier in the long run if you do so.

TAURUS – Apr 21/May 21
 Interpersonal dynamics are constantly changing, and you may have a challenging time wrangling in your relationship to where it feels comfortable, Taurus.

CANCER – June 22/July 22
 Cancer, it is better to make your choices sooner rather than later this week. Putting decisions off only complicates matters. It may be an anxious time, but you will pull through.

VIRGO – Aug 24/Sept 22
 Virgo, a hectic week leads to lots of demands on your time. Take things one task at a time and do not be afraid to say "no" if you feel you are overwhelmed.

SCORPIO – Oct 24/Nov 22
 Romantic thoughts this week will have you on a mission to spend quality time with a loved one, Scorpio. You may do everything in your power to be near your significant other.

CAPRICORN – Dec 22/Jan 20
 Accomplish something important based on what you learn this week, Capricorn. Keep your eyes and ears open to all of the possibilities around you.

PISCES – Feb 19/Mar 20
 Pisces, take some time off if your job seems like a headache this week. If you have the time, enjoy a long weekend or a short jaunt during the week.
