

SAYING 'I DO'

at the Florence Events Center

Dozens of people select the Florence Events Center for their weddings and receptions each year. Some of these are small, intimate gatherings and others are grand affairs. Whatever format you choose, our staff knows how to make your special day a unique celebration designed especially for you.

Our goal is to create a serene atmosphere so that you can relax and enjoy the festivities without the stress that sometimes occurs at these events. We're here to help with everything from flowers and food to music for dancing.

We have more than 8,000 square feet of event space, and we can configure it any way you like. Choose round, banquet or bistro tables, with linens in colors to match your theme. We have dance floors and stages in a variety of sizes, and lighting to create special effects.

Our audio and visual equipment is available for any special presentations you have in mind.

Perhaps you're dreaming of a beach wedding to take advantage of our special brand of coastal beauty, or perhaps you've already selected a private residence or other venue. All of our equipment is available for off-site rental to accommodate your needs.

We will provide you with a list of caterers and menu options ranging from simple hors d'oeuvres to an elaborate five-course meal. Beverage service is available.

The Florence Events Center provides quality, creative space and a staff committed to first-class serv-

ice. We will work with your ideas and budget to create a memorable celebration for your "I Do" day.

Start with a tour of our facility, 715 Quince St., so we can discuss your plans in person. Call the Florence Events Center at 541-997-1994 for an appointment.
