The Lions delivered a 52-15 whopping of the Huskies to give Sweet Home its 12th loss of the season.

Cottage Grove held Sweet Home to only three first-half points, leading 26-3. Before taking off the pressure and allowing for the bench to get some play time, the Lions went on a 19-3 run in the third quarter, putting the game out of reach. Technically, the game was already out of reach. The Lions could have scored zero second-half points and still would have won by a comfortable 11 points.

This game saw a much improved 34 percent field goal rate, but the Lions only sank three out of six free throws. Only making three free throws is a great statistic in this case, because that means 49 points came from the field of play. Even more so, the

Huskies were 11-of-29 on free throws, meaning that the Lions only allowed four points in the entire game without fouls. That's right, Sweet Home only sank two field goals in the entire game.

Murphy and Thielman were the night's top scorers with 11 points each. Murphy was an outstanding 100 percent from the field and the free-throw line; she didn't miss a single shot all game. Thielman was five of 14 from the field, but the senior had nine rebounds (the most of any that night), three assists and three steals. The Lions' offense saw production from another sophomore, Sierra Blomquist, who scored seven points on the night and had the most assists in the game (five). Senior Dana Caro also scored seven points, along with a whopping 11 deflections and six steals.

The Lions may not have high

playoff hopes at this point, but it doesn't mean the season will end on a sad note. With the second half of league play approaching, the girls still have more opportunities to showcase their improvement and turn their current 4-14 season into a success story.

Looking toward the district tournament this coming Saturday, Deatherage says his focus is on getting the team healthy. He said that some of his wrestlers were unable to compete at the regional tournament and that very possibly could have been a deciding factor

between first and second place. Deatherage is expecting to see a lot of success on Saturday as their team has won several tournaments already.

"This year we have a lot of really good kids, much more than last year I think, so hopefully we'll be able to do well."
