Another dental visit?
Turns out, you have better things
to do with your time.

CEREC® One-visit dentistry

We know your time is valuable. That's why we've invested in CEREC technology that allows for a faster experience when you need crowns, fillings or veneers. With CEREC, there's usually no need for a temporary and return visit. Everything is done in one visit, in about an hour - leaving more time for whatever is important to you.

Implants • Teeth Whitening • Extractions • Lumineers (no prep veneers as seen on TV)
