**SLTV Channel 44.7 Changes to Frost Great Outdoors**

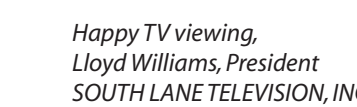

Luken Communications has consolidated its PBJ programming with its other networks and has replaced the exited network with Frost Great Outdoors on SLTV channel 44.7. Luken has had some challenges with its children's network recently. Program acquisition costs, sponsorship issues, and rising technical costs were cited as reasons for making a change. We hate to see the loss of the children's programming but we understand their situation. The QUBO Network on channel 14.2 is still available as a primary destination for children, along with the many other networks that cater to children as a part of their service, such as OPB.

Many of the PBJ programs will be eventually be available on The Family Channel on 44.4, as a part of Luken Communications' goal of bringing quality family television into homes across America. In addition to Frost Great Outdoors, SLTV also offers Luken's Rev'n Network, an auto and motorcycle enthusiast network on 44.6, Heartland TV, a country music channel on 44.5, TUFF-TV on channel 47.2, and Retro-TV which SLTV rebroadcasts from KSLM in Salem on channel 27.1.

Frost Great Outdoors features outdoor lifestyle adventures and is a good complement to Pursuit TV on our channel 44.1.

Viewers are invited to watch the rolling program schedule on Channel 47.4 to see what is on Frost Great Outdoors and all 35 channels of South Lane Television's FREE-TV service in Cottage Grove.

South Lane Television also operates two rural FREE-TV systems at London Springs and Dorena/Culp Creek.

These messages are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.
