

**The support of our community members is vital.  
We would love to have you be part of our mission.**

Since 1982, Community Sharing has been meeting the basic needs of South Lane County community members. Due to budget cuts and increasing numbers of clients, the continued success of this work depends greatly on the generosity of our community.

In the coming months, Community Sharing kicks off the South Lane Food Project. The Food Project will simplify the way our generous community meets the food needs of our neighbors.

Based on the Ashland Food Project, community members volunteer to become **Donors** or **Neighborhood Coordinators**.

**Neighborhood Coordinators help by:**

- Recruiting friend, family, and neighbors to be Donors
- Picking up full donation bags and leave replacements every 2 months

**Donors help by:**

- Filling a provided reusable grocery tote every 2 months
- Putting out totes for pickup on the designated day

**It's that simple!**

All volunteers for the South Lane Food Project have the full support of the Community Sharing staff. The staff has software specially designed for the Ashland Food Project to help coordinate.

**Supporting Our  
Children and Families**

All Parent Partnership's programs are in collaboration with the South Lane School District.

**First Steps Child Care Center:** Established in 1988, it provides child care during the school year for infants and toddlers of parenting students and school district personnel.

**A Primary Connection Family Resource Center:** Established in 1990, APC provides family-focused play time; provides information and assistance on resources for the prevention of domestic and child abuse and crisis intervention; provides resource referrals; and promotes early literacy and English language learning.

**The McKinney Vento Program:** Provides resources, services and referrals to students from pre-school through grade 12 who are facing barriers to school reenrollment, attendance and success.

**Teen Connection:** Since 2014, the after-school program is available to all local teens for tutoring, resources, food, activities, crafts, parenting classes, financial aid application and scholarship assistance, service connections and referrals, and support.

**Family Resource Directory and Recreation Guides:** We produce free booklets listing resources for families in Cottage Grove and Creswell. The guides are available twice a year list summer and winter activities, events and resources.
