Family Relief Nursery

Through the generosity of our dedicated donors, the Family Relief Nursery:

- *Helps families who are under-stress
- *Improves school readiness and literacy
- *Keeps families together and children out of Foster Care
- *Lowers parents' unemployment rates
- *Provides parent education and support
- *Decreases family emergency room use

April is: Child Abuse Prevention Month

The first \$1500 of donations made during April will be matched, by members of the Nursery's Board of Directors

⇒ If you would like to join our community of givers, we invite you to visit our **Website** or **Facebook** page to make a donation.

Your gifts allow a nearly 4:1 return on investment for Oregon Relief Nurseries. For each donated dollar given, the state saved nearly \$4 in costs associated with child abuse, unemployment, criminal behavior, and other social issues.

To raise awareness for Child Abuse Prevention Month, we are hosting, in collaboration with over 15 local agencies, a free "Children's Health Fair", which is open to all families in the Cottage Grove area.

Saturday, April 23rd at the CG Community Center
 • 2:00 p.m. to 6:00 p.m.
 • Raffle Prizes for Parents
 • Gifts for all Children!!
 • Meet Superheroes and Emergency Responders!!

Thank you, 2015 Nursery donors! We could not make a difference without your support!
