

Looking Glass Rural Program

Looking Glass Rural Program assists youth, ages 11-17, who are homeless, runaway or at risk for homelessness interested in creating long term solutions that improve the quality of their lives.

We provide:

- Basic needs
- Community outreach
- Case management
- Host home shelter
- Education support
- Service planning and coordination
- Family support

We currently have space available in our host home for at risk youth and are recruiting for additional host home volunteers in the Cottage Grove and Creswell areas. Eligible youth are able to access our host home for up to 21 nights while we assist the youth and family in reconciliation or other stable housing options.

All of our services are free!

Please contact the rural program office for more information.
