

# Softball picks up its first victory

It has not been the best season for Cottage Grove softball to say the least, but last Tuesday the Lions were able to steal their first win at Sisters. Cottage Grove defeated the Outlaws 12-10. The win put a halt to a 12-game losing streak that started the first game of the season against North Bend. Head Coach Cheryl Frieze says the team's struggles come from an overall young and inexperienced squad.

So far, the Lions have been outscored by their opponents 259-48 and are having a difficult time finding a consistent pitcher. But with so many devastating blowouts, including a 24-12 loss to Sisters the week before, a 12-10 victory is an immensely positive turn around. The biggest loss of the season was a 27-0 rout by Pleasant Hill. To come from losses such as that to a 12-10 victory is no stroke of luck. Any win this season will testify to the tenacity of this struggling softball team and will display the drastic improvements the team has made.
