such portion of the principal as would not then be due had no default occurred) and by curing any other default complained herein that is capable of being cured by tendering the performance required under the obligation of the Trust Deed, and in addition to paying said sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Trust Deed, together with trustee's and attorney's fees not exceeding the amounts provided by said O.R.S. 86.778. It will be necessary for you to contact the undersigned prior to the time you tender reinstatement or payoff so that you may be advised of the exact amount, including trustee's costs and fees, that you will be required to pay. Payment must be in the full amount in the form of cashier's or certified check. The effect of the sale will be to deprive you and all those who hold by, through and under you of all interest in the property described above. In construing this notice, the masculine gender includes the feminine and the neuter, the singular includes the plural, the word "grantor" includes any successor in interest to the grantor as well as any other person owing an obligation, the performance of which is secured by said Trust Deed, and the words "trustee" and "beneficiary" include their respective successors in interest, if any. The Beneficiary may be attempting to collect a debt and any information obtained may be used for that purpose. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse. Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale.
