## TRIALS

For instance, Oregon wide receiver Devon Allen blew away the competition in the 110-meter hurdles, taking first in the finals with a personal best of 13.03 seconds. UO students and graduates such as Ariana Washington and English Gardner dominated the women's 100-meter dash.

Burleson says that he loves how the sport has changed as athletes just seem to get better and better.

The legendary mile runner still lives locally, and the Trials bring back memories of his decorated track career.

In 2010, Burleson was inducted into the National Track and Field Hall of Fame and is also a member of the Cottage Grove High School Hall of Fame.
