Pickleball Demonstration

Friday, July 15 from 10 a.m. to noon, Coiner Park Tennis Court

This sweet sport with a 'sour' name is the fastest growing sport in the world!

Festival goers are invited to experience this paddle sport created for all ages and skill levels. The rules are simple and the game is easy for beginners to learn – but can develop into a quick, fast-paced, competitive game for experienced players! Pickleball started 51

years ago on a rainy Fourth of July in Bainbridge Island, Wash. It got its name because one of the founders was a Rower, and a boat full of rowers with varying skills is called the "pickle boat." Since this sport uses a paddle and plastic ball to combine many elements of tennis, badminton and ping-pong and the name stuck! It can be played

both indoors or outdoors on a badminton-sized court and a slightly modified tennis net. Local Pickleball players will be on hand Friday morning to show you how it's done. They play 2-3 three times a week on Tuesday at 10 am, Wednesday at 5:30 and often sometime in the weekend. The City purchased the net, they bring their own rackets

Local pickleball players will be on hand Friday morning to showcase the sport for those who wish to try.

and balls and have a blast for a few hours swearing we how they can get better. You can

see the game on the Internet at ASAPA.org or come to Coiner park and play!
