

## PROCEDURES FOR LINCOLN MIDDLE SCHOOL

Unloading procedures for Thursday, July 21st, and Friday, July 22nd, at Lincoln Middle School.

The School has asked, due to the condition of the track, that we use new procedures for unloading any gear that will be used at Relay.

1. The only vehicles that can use the track entrance will be as follows: food court, registration, luminaria, stage set up crew, and sound people.

2. All other vehicles may use the back gate entrance. The entrance to the track will be to the left side of the fence and it will be marked.

3. For tent set up, you will have only 10 minutes to unload. Do not use this time to set up...simply unload and then remove your vehicle back to the parking lot. This will not work if you use more than 10 minutes. Even if you see no other vehicles on the track, you must remove vehicle after 10 minutes. No exceptions. No vehicles will be allowed to leave the grass onto the track or pass another vehicle.

4. Unloading times will be as follows:

- Thursday: 9AM to 7PM. & Friday: 8:00AM to 12:00PM.

5. The entrance at the back gate will be closed at 12:00 PM to all vehicles. At this time the back gate entrance will be blocked. You can park at parking lot and carry equipment in. No exceptions.

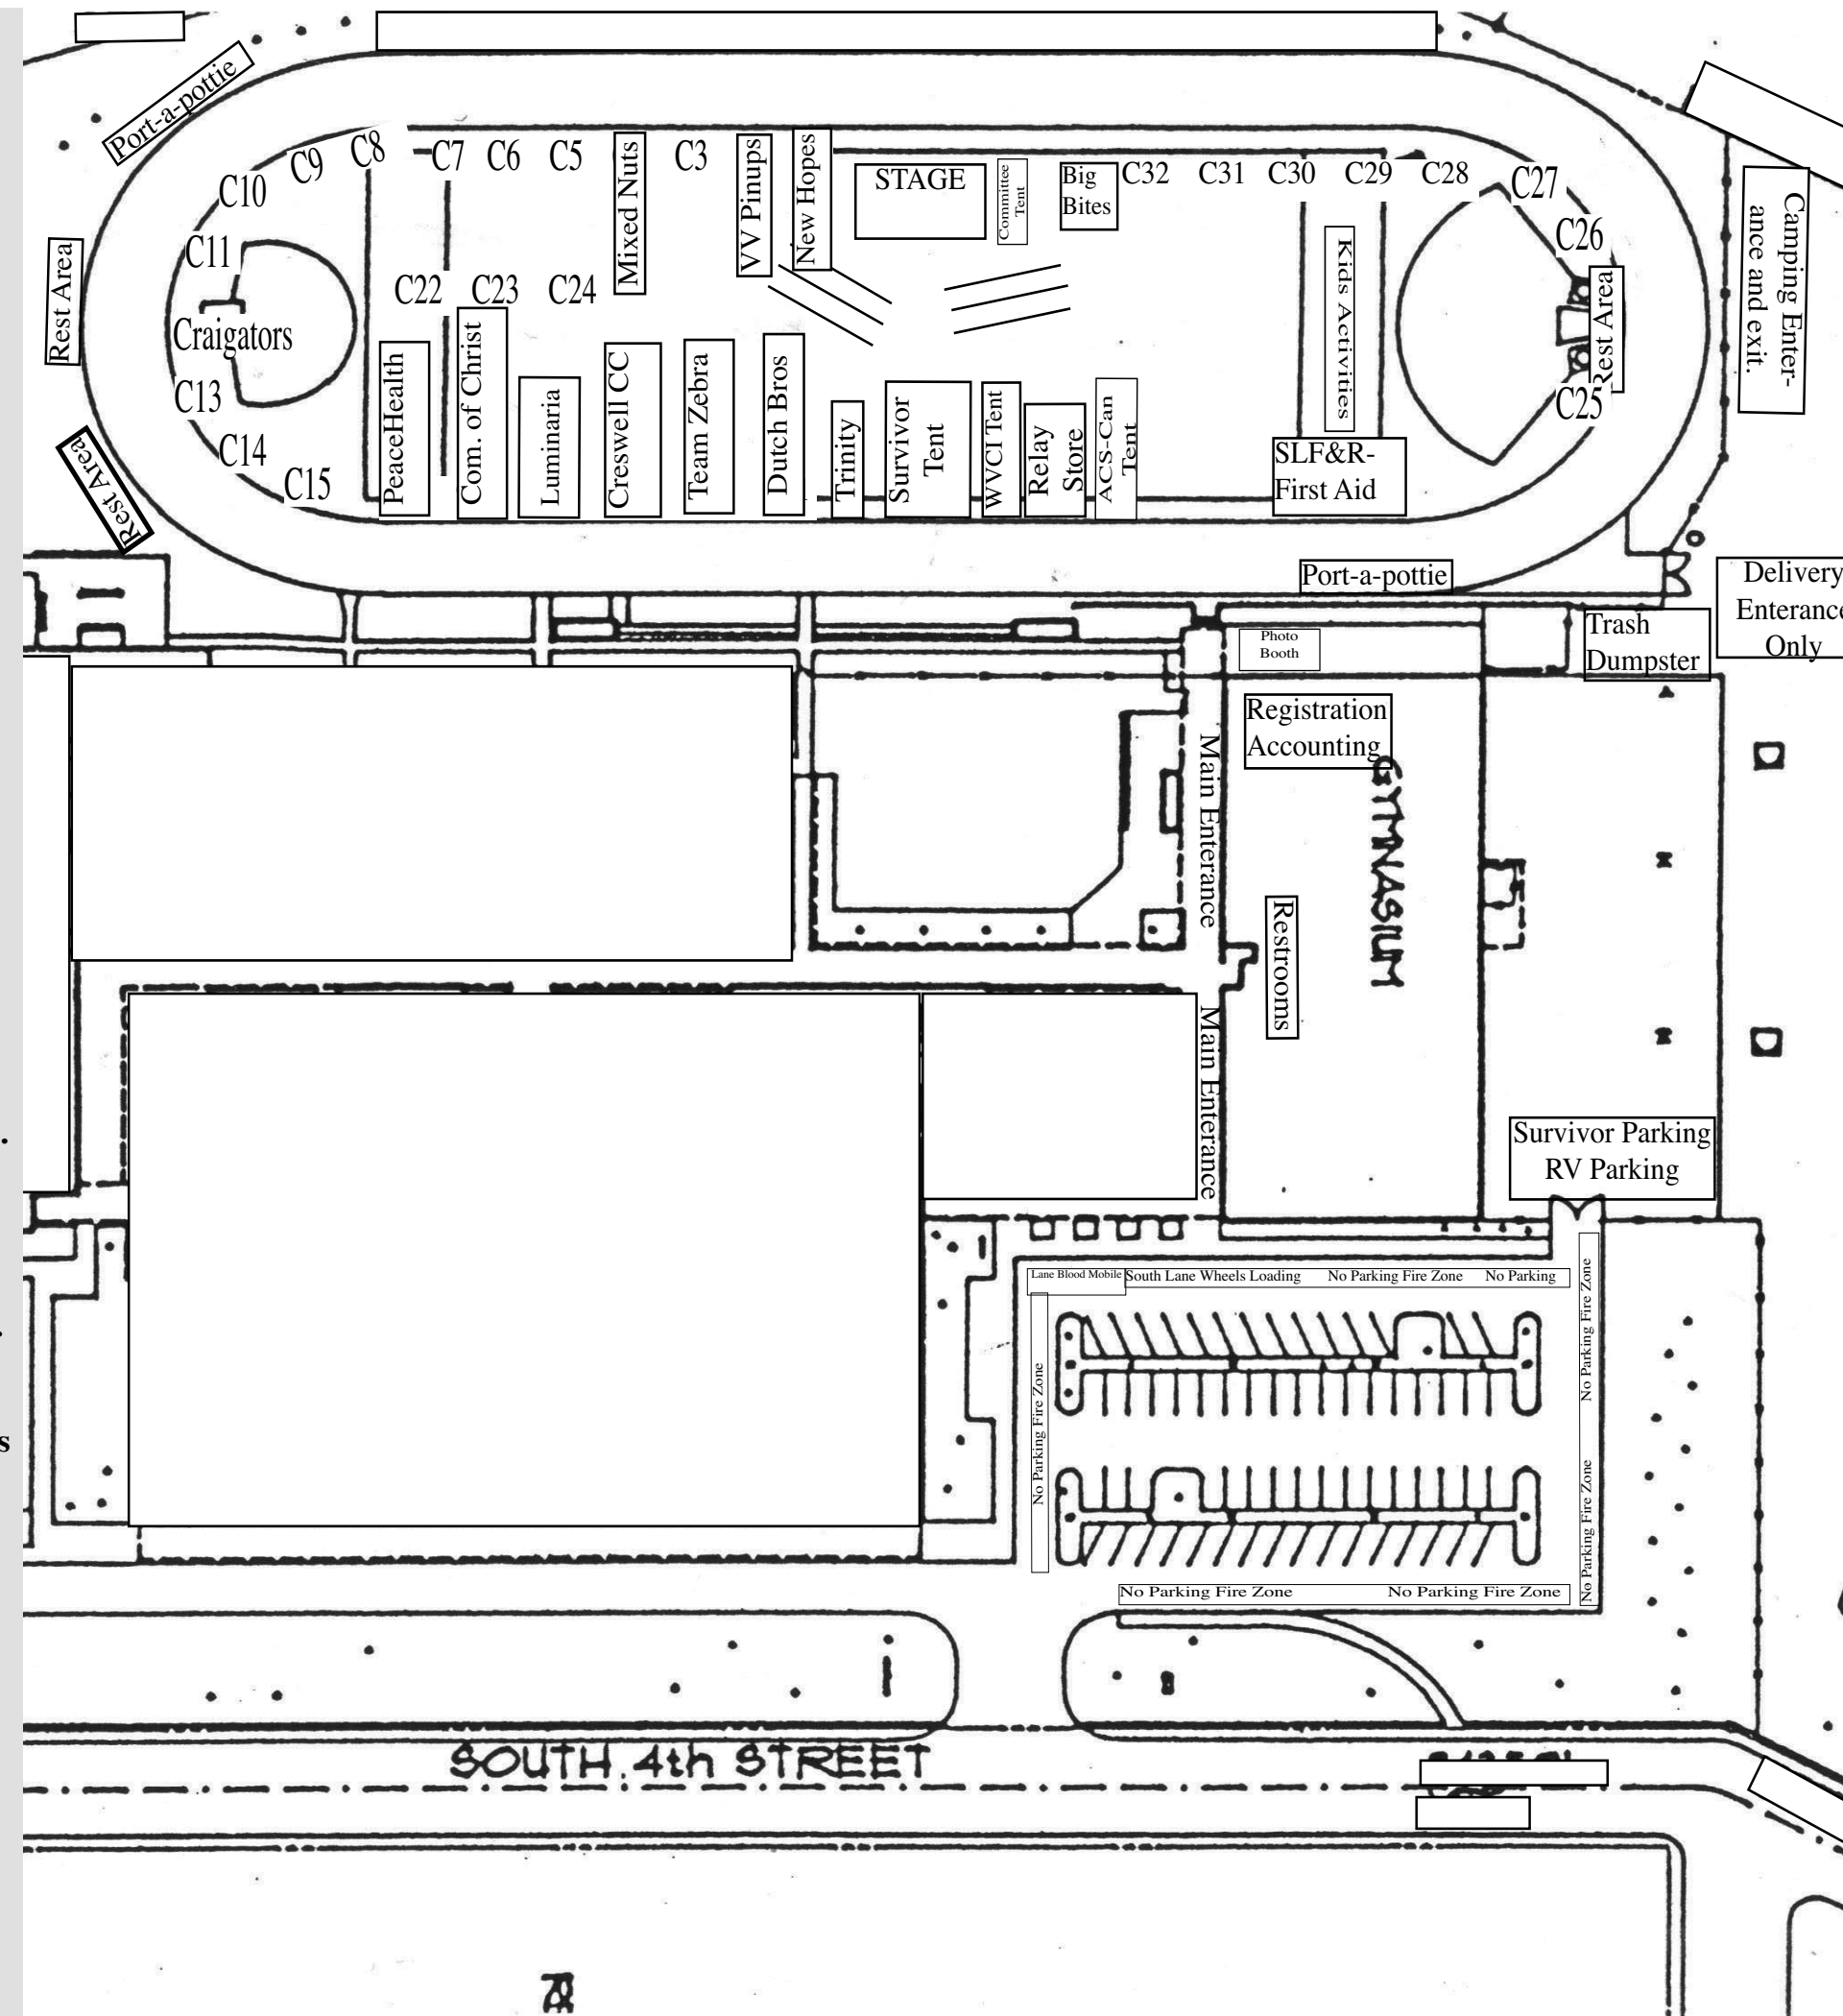

6. If you do not have an assigned camp spot you may not enter vehicle on track. Map will be available on Bank Night or at Registration on Friday.

7. There will be no open flames or propane inside tent. Barbeque grills will not be allowed inside tents. No extension cords will be allowed across the track.

8. Security by Cottage Grove Police Officers will be provided on Thursday night July 21st.

9. Tent campsites will be judged after 7:00 PM on Friday night. The winner will be announced at closing ceremony on Saturday morning. The judge is not involved in any manner with Relay.

The 2016 Relay For Life Steering Committee thanks you in advance for your cooperation.
