

# Relay Field Day at Lincoln Middle School

Cottage Grove students have become more involved with the Relay for Life of South Lane County through Relay Field Day with great involvement from its students and staff.

Lincoln Middle School continues to host a great Relay Field Day, and this year was no exception. Students held a school dance and a talent show in addition to the many fundraising activities both before and during their event. One of the newest highlights this year was Vic's Photobooth. Students and parents alike had tons of fun getting their photos taken and making use of the many props Vicki had available for them to use.

The video that was filmed in 2012 during Relay Field Day has been shown around the country and the world to communities that want to start their own Relay Field Days. Relay for Life of South Lane County is so very proud of the Students and Staff for all they have done and continue to do in raising funds and awareness in South Lane County. The Relay Field Day participants were once again shooting for their goal of \$2270 and are just shy of their goal. If you would like to help them reach their goal, a donation bucket will be at the South Lane County Relay for Life on July 22nd at Lincoln Middle School.

If your school or business would like to learn more about starting or hosting a Relay Youth Event contact the Eugene Office of the American Cancer Society at 541-434-3115
