

# FOOTBALL

## 2016 Outlook:

The football team comes into the season welcoming Coaches Marty and Jordan Johnson. Marty has taken Sheldon High School to several state championships and Jordan was a prominent quarterback at Montana University. Though there is a change in the coaching staff, the Lions will stick to their regular offensive system. With the loss of seniors such as Michael Tharpe, Kory Parent and Blake Sentman will be the ones to lead the team on both sides of the ball.
